"CIVILIZATION"

Two shows tonight and four to-morrow will close "Civilization" at the Strand Theatre, Altoona. Read the adv. in this issue and then jump the train for Altoona.

"Civilization" is the last word in screen successes. When originally presented at the Criterion Theatre, New York City, where it still remains, it attracted the attention of every dramatic reviewer, clergymen and amusement seeker in the great Metropolis; in fact, it became the sole topic of conversation because of its message to humanity. It is not denied that "Civilization" was conceived and produced for the sole purpose of terminating the great war now raging in Europe. Neither can it be denied that it has had a potent effect in this direction, as witnessed by the comments of those responsible for the continuation of the strife. To appreciate the beauties and to understand the message of "Civilization," one has to see it personally, because it is a personal message to every thinking person.

Telford Gill returned to State College Tuesday afternoon.

Miss Mary McGanna of Buffalo, is the guest of Mrs. Paul T. Bearer this week.

Golden Sun Coffee

Will Satisfy Every Member of Your Family

It is a problem to please everybody in a family, especially when it comes to coffee. If the kind you serve satisfies some and not the others, why don't you try Golden Sun? We suggest this try-out because we've found through test that nine persons out of ten prefer this Golden Sun Coffee after they once try it.

Judging from this majority, Golden Sun Coffee will give the satisfied members a just as good, if not better, drink and "hit the right spot" of the dissatisfied. Just try one pound of this coffee and let the individual tastes decide. Our bet is that you'll always ask for Golden Sun.

Golden Sun Coffee is sold by first-class grocers. It's steel cut, perfectly aged, blended and roasted and comes in air-tight tins.

NEWS OF TWENTY-ONE YEARS AGO

Taken From The Patton Courier, January 2, 1896

The Future Fire Protection
On Monday morning before the big fire at the Patton Clay Manufacturing Company's works, superintendent F. E. McElfresh deemed it a necessity in case of fire to have good protection around the works, proceeded at once to have the water main which passes directly by the plant, tapped in two places and ordered fire plugs put in, and had them arrived sooner than they did, there is not the least doubt but the fire of Friday night would have been averted. With this protection in the future a fire will certainly stand a poor show at this plant when it is rebuilt.

Infant Dead
On Saturday, December 21st, Joseph, infant son of Mr. and Mrs. Joseph Madison died. The funeral services which were conducted by Rev. Chas. Wasson, were held on Monday, December 23rd, at 2 o'clock.

Fire At The Clay Plant
On Friday night about 9 o'clock Patton was visited by a destructive fire, in which the large main building of the Patton Clay Manufacturing company which was about completed, including a lot of new machinery and fixtures was entirely destroyed. The fire which originated on the third floor at the west end, was beyond control when the fire was discovered and nothing could be done but try and save the other property in close proximity.

As the building and machinery therein contained had not been turned over to the company, as completed and in running order, the loss will fall on the contractors, Hubbard and Wise and the firm which was furnishing machinery, etc., which will reach from \$8,000 to \$10,000. Hubbard and Wise carrying a builders risk of \$1,000. The loss to the company, which was the foundation and improvements will not exceed \$100.

There are several opinions as to how the fire originated, but nothing definite can be relied upon. The cause is unknown.

Hurt At The Fire
Jesse Fox, one of the young men who certainly deserves much credit

in the brave manner in which he worked trying to save the engine house, received a ugly cut, in some manner on the back of his left hand, which will probably leave a scar for the remainder of his life. The cut is over an inch long and quite deep. Sidney Rounaley also received a severe injury on one of his limbs by falling from the top of the engine house and striking the engine.

Girl Lost
A 14-year old girl with light brown hair, the daughter of Wm. Dumbliak, of Frugality, has been missing from her home since last May. Her name is Annie. Any information concerning the girl will be gladly received at the Courier office.

On Tuesday W. P. Jackson received the sad intelligence of the death of his sister-in-law, Mrs. Dora Hoover, of Biglar, Pa. He departed for that place Wednesday to attend the funeral.

H. F. and R. J. Good of Lock Haven, accompanied by their father, Geo. S. Good, spent Monday and Tuesday in Patton.
