ADVERTISING PAYS

After a three weeks publicity campaign the Kusner Store had Dollar Days Sales on Saturday and Monday last. The sale was a big success financially. It is the old story over again "Printer's Ink inspires trade." The Courier stands ready and most willing to make business for any concern in Patton. It is plainly evident that many of the Patton merchants do not appreciate the value of a local paper. John Wanamaker, the famous merchant, attributes his remarkable success to advertising. Patton has as great opportunities to become a business centre as does any Borough in the State of Pennsylvania. Don't nag at the local paper. Don't split hairs to find fault with the paper that wants to increase your business. Why does Altoona and Johnstown desire to get into the pocket books of Patton? Why, simply because the outside public knows that Patton

is divided and where there is no union locally, money will go to other cash drawers. The Patton Courier is a business proposition to make money for its owners and at the same time assist in the growth of our town. When the Patton Chamber of Commerce nags and fights the Courier the newspaper will suffer the least. This is neither a boast nor a threat. Simply a plain statement that time will verify if present conditions are allowed to continue. Why don't the Patton Chamber of Commerce, if it unselfishly has the interests of Patton at heart, request a representative of the Courier to meet with them and in a heart to heart manner discuss the real welfare of Patton? Will it be a case of fight or wile?

Bethlehem's Bid on Shells for the United States Navy

The Secretary of the Navy has awarded contracts amounting to over \$3,000,000 to a British bidder for 14 and 16-inch projectiles for the Navy because of very much lower prices offered by the English bidders.

We know nothing of the basis upon which the British bids were made, but the public is entitled to know the facts upon which we ourselves bid for this work.

Two years ago we took contracts to make 4,200 14-inch shells at a price of \$1,515,000. Up to now not a single shell has been accepted by the Government, although we have expended, in wages, materials, etc., on these orders \$522,281, and we have not received a SINGLE DOLLAR on these contracts.

In addition, a Steel interpretation of the contract made us liable for penalties amounting to \$875,000.

In the light of our experience, and having no other basis, we bid for 16-inch shells approximately the same rate per pound as that which the Navy Department actually awarded a 14-inch shell contract one year ago.

Do You Know the Benefits of a Medicinal Whiskey?

Not a beverage, mind you, but an absolutely pure distillation of thoroughly malted select grain. In fact, a predigested food in liquid form—for such is Duffy's Pure Malt Whiskey. During 56 years, it has been a recognized standard tonic and stimulant for the sick and ailing, the weak and run down; recommended by both physicians and the laity as a wonderful promoter of health.

Duffy's Pure Malt Whiskey

taken in tablespoonful doses before meals and on retiring, stimulates the mucous surfaces and little glands of the stomach to healthy action, thereby assisting digestion and assimilation. In this manner the body is made strong and fit for exercise and work. Don't say you're "Not feeling well," for many human ailments yield to the judicious use of Duffy's Pure Malt Whiskey where drugs and other medicines fail. Just as thousands of others do, you'll feel fit and fine if you,

"Get Duffy's and Keep Well." At most druggists, grocers and dealers. If they can't supply you, write us. Send for useful household booklet free.

Born 'neath
Virginia's sunny skies

From the sun-bathed fields of Virginia comes the finest-quality cigarette tobacco on earth. Tobacco experts say so.

And it is this highest-grade Virginia tobacco that is in Piedmonts—they're ALL Virginial! Golden, lively, mellow as Virginia's sunshine itself.

That refreshing liveliness in a cigarette, that is known as character, is present from tip to tip in Piedmonts—because none but Virginia tobacco can give this character to a cigarette.

VIRGINIA TOBACCO PAYS NO DUTY—ALL THE VALUE IS IN THE CIGARETTE.
"A package of Piedmonts, please".

An ALL Virginia cigarette—

NOTE.—The duty on the Turkish tobacco that goes into a 5c package of so-called blended cigarettes is greater than the cost of the tobacco itself! But Piedmonts, made of highest-grade Virginia tobacco, have all the value in the cigarettes—because there is no duty on Virginia tobacco—no ocean freight—no marine insurance, no wasteful handling.
