JUST GOT OVER A COLD

Look out for kidney troubles and backache. Colds overtax the kidneys and often leave them weak. For weak kidneys—well, read what a Patton man says:

"M. A. Byrne, mine owner, Main St. Patton, Pa., says: 'Every now and then I have caught a cold, which has settled in my back and kidneys. The result had been lameness and weakness across the small of my back, which I have found very annoying. Whenever I have got one of these attacks, I have found prompt relief by using Doan's Kidney Pills. I keep them on hand all the time and don't hesitate to recommend them to others.'"

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Byrne had. Foster-Milburn Co., Props., Buffalo, N. Y.
