## "IT'S WONDERFUL." ASSERTS MOTHER OF ASSEMBLYMAN

"I Am Now Convinced of Tanlac's Merits," Says Mrs. Clements

That Tanlac appeals to the best people in every community is again shown in the remarkable tribute paid the Master Medicine by Mrs. Sarah A. Clements, mother of Nobel Clements, Assemblyman from Northumberland County, who resides at 310 Shamokin street, Shamokin, Pa.

"I feel better today than I have for years," said Mrs. Clements recently. "Tanlac is certainly a wonderful medicine, and I can recommend it most highly, knowing of what it accomplished in my case," she continued.

"I was a sufferer from a general run-down condition. I had absolutely no ambition or no energy. I felt weak and listless most of the time. Finally my appetite went back on me. Nothing tasted good. I was badly constipated.

"I decided to try this Tanlac, which I had heard praised so highly. Well, sir, Tanlac was exactly what my poor run-down system needed. It restored my lost vim and vigor and drove that tired, listless feeling out of my system. My appetite has increased materially and my food digests perfectly. I am no longer constipated. In short, I feel like a new woman. Tanlac is wonderful."

Tanlac is being especially introduced and explained here by Gunn Drug Company.
