The attention of our people and especially our Lady friends is called to a circular letter published in this paper and mailed to each of the lady members of the Patton Red Cross Association. We regret to learn that the organization finds a letter of this kind a necessity, we do not think that it is due to any lack of patriotism or sympathy upon the part of the women of this community, but due to a feeling upon the part of many, that there is nothing they can do or that their services are not needed. This is a mistake which we trust will be rectified at an early date. There is no organization in the world today doing more good than the Red Cross Organization, it recognizes no creed, color or nationality, it is working for humanity.

Within the last few days the public press have announced the death of some of our American Soldier Boys also the capture of several. Arrangements have been made through the Red Cross Organization for the feeding and care of the American Boys in German prisons, this is a part of the Red Cross Work. The time is nearing when our Boys will be languishing in the hospitals and on the battle fields of Europe. They will need the assistance of every woman in America, in order to lessen their sufferings and make them more comfortable.

We are just commencing to experience something of the horrors of this war, Belgium, France, Serbia and Italy are today suffering for hospital supplies, food, clothing and the actual necessities of life.

The Red Cross Organization is supplying these wants to the best of their ability, but they are calling continually upon the Women of America for help.

This War is not near an end, the authorities at Washington very generally are of the opinion that we have two and possibly three years of struggle. Think what this means to the world at large, and to our own Soldier Boys. We earnestly urge upon the good Women of Patton to respond to this appeal of the local Auxiliary.

This War will be over some time, our Soldier Boys will be coming home, many of them possibly broken down in health, and some maimed for life. How will you feel when asked the question, "What did you do for me while I was away fighting for my Country?" Will you not feel uncomfortable if you are unable to say that you did your bit.

Last week there was a large supply sent to Johnstown, from the Patton Local Auxiliary, the receipt of which has been acknowledged, and the Ladies complimented upon the quantity as well as the character of the articles sent. These women have every reason to be proud of what they have done, we trust that there will be no occasion for a second appeal.

SUNDAY ATTACK OF LUMBAGO ROUTED

Two Applications of Modern Remedy Removed Trouble—Was Ready For Work Monday Morning

HAS HAD NO TROUBLE SINCE

If you have been laid up with that dreaded malady, lumbago, read what M. E. Khun of 815 6th Ave., Altoona, Pa., has to say:

"I am subject to lumbago and have, at times, suffered for weeks with this ailment. On several occasions I could not work for days at a time.

My last attack occurred about four weeks ago. Came on me Sunday and I thought that I would have to give up my work again.

A friend of mine advised me to use 20th Century Liniment and with one application on Sunday night and another on Monday morning I was able to go to work as usual. With a couple more treatments the trouble entirely disappeared and I have felt no trouble since.

I surely think 20th Century Liniment a most wonderful remedy for anyone afflicted as I have been and I assure you that I will never be without it in the house for emergencies."

Sold at any store that sells good liniments for 50 cents and \$1.

PATTON NEWS

This Case Has a Hint for Many Courier Readers

A Patton woman has used Doan's Kidney Pills. She has found them as represented. She wishes her neighbors to know. She publicly recommends them. No need to look further for a tested kidney remedy.

The proof of merit is here and can be investigated.
Profit by the statement of Mrs. F. M. Kinkead, Second Ave. She says: "I had a dull, heavy pain through my hips and in the small of my back. The trouble was so bad that when I got down, I could hardly get up. I was lame and sore all over. I finally got Doan's Kidney Pills at Gunn's Drug Store and used them. They gave me relief and I am glad to endorse them." Price 60c, all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Kinkead had.
