Federal Loans to Farmers Reach Nearly \$20,000,000
 Up to December 1, \$29,824,655 had been paid out to farmers on 5 per cent long time loans, according to a report covering the operations of the 12 Federal land banks. The total of loans approved, including those closed and those awaiting verification of title and other formalities, is \$105,136,529. The interest rate under the farm loan system has been increased from five to five and one-half per cent, to apply to all applications which have not yet been approved.
 Borrowing is done through co-operative farm loan associations organized by farmers, each association being composed of 10 or more farmer-borrowers and each group borrowing at least \$20,000. Up to December 1 the farm loan board had chartered 1,839 such co-operative associations.

Corps of Army Nurses Must Be Increased Nearly 1,000 Per Cent in Year
 According to estimate based on an Army of 1,500,000 men, 37,500 nurses will be needed. The present strength of the Army Nurse Corps of the Medical Department is about 3,800. To increase this number by nearly 1,000 per cent in a year is the task faced by the corps.

Hospitals at Army camps and cantonments still need nurses to bring the quota for each up to the minimum of 65 considered necessary, although since the urgent need for nurses was made public in December nearly 2,000 requests for application blanks have been received.

In order to get the enrollments up to the needed number some of the requirements heretofore imposed have been waived. According to estimates there are between 80,000 and 90,000 registered nurses in the country and about 200,000 other graduate and practical nurses.

DOCTOR SAYS
VINOL IS THE
BEST TONIC

Honest Opinion Doctor Gave His Patient

Bedford, Ohio.—"I was in a pitiful condition, weak, nervous and run down so I could not do my housework. I had doctored for years and tried everything under the sun. A friend told me about Vinol. I asked my doctor about it, and he replied, 'It certainly is the best medicine that can be had today. I couldn't give you any better.' I took it, and today I am as well and strong as any woman could wish to be, and it was Vinol that saved me."—Mrs. Frank A. Horkey, Ash St., Bedford, Ohio.
 We guarantee this famous cod liver and iron tonic for all such conditions.

"ALL OTHERS HAD FAILED," STATES MRS. J. A. M'ADOO

Cousin of Secretary of Treasury McAdoo Greatly Benefited by Tanlac

Mrs. Jennie McAdoo, of 429 Harrison avenue, McKeesport, Pa., made an interesting statement recently regarding the benefits her husband, John A. McAdoo, of the National Tube Works, a cousin of Secretary of the Treasury McAdoo, at Washington, received from Tanlac. Mrs. McAdoo said:

"My husband had complained regularly of stomach trouble, gastritis and indigestion. After eating, his food seemed to ferment and form into a hard lump in his stomach. He suffered dreadfully from pains in his abdomen.

"He became generally run-down and so nervous that he couldn't sleep at night. He got so bad that I thought I was going to lose him. We had done everything we could for him. We had even sent to Chicago for medicine, but as everything had failed to help him I was on the verge of giving up hope of his ever getting better. We determined to get Tanlac.

"He eats good and sleeps fine now. He is the first up in our home every morning now. He wakes up the family and says he feels refreshed and ready for his day's business. He is so pleased with the results that he is recommending Tanlac to all of his friends."

Tanlac is now sold here by GUNN DRUG STORE.

OUR STOCK IN GOLD

The gold monetary stock (coin and bullion used as money) in the United States on November 1, 1917, is estimated in Secretary McAdoo's annual report at \$2,641,500,000. The increase in the past 10 months has been \$174,500,000, and in the past three years \$1,236,500,000. In five years the portion of the world's gold monetary stock held by the United States has increased from approximately one-fifth to more than one-third.
