A TREMENDOUS SUCCESS

The operetta entitled "The Miser's Dream" given by the pupils of the public schools Saturday afternon and evening, and Monday and Tuesday evenings for the benefit of the Junior Red Cross was a tremendous success. Over seven hundred adults and four hundred children witnessed the performance of this play.

Especial credit for this success is due Misses Princible and Waring who trained the youngsters after practimodern up-to-date Red Cross operetta.

The first act showed Old Miser Money Bags unheeding the plea of Red Cross workers and Boy Scouts to help our boys "Over There." He steadfastly refused to help but through the aid of elvs, brownie fairies, Mother Goose, Patriotism and the witch he was transformed and gave liberally of his gold.
