"MOVIES" AID IN WAR STAMP DRIVE

Motion picture fans to the number of 30,000,000 or more ought to be deeply impressed with the advantage of investing in War Savings Stamps and Thrift Stamps during this month because of the arrangements that have been made by the committee of the National Association of the Moving Picture Industry, of which Adolph Zukor is Chairman.

Mr. Zukor conferred with Federal officials at Washington this week and then announced plans that call for drive-the co-operation of all the movie exhibitors in the country and the entire industry at large in the new patriotic drive for war funds.

Secretary of the Treasury William G. McAdoo expressed to the representatives of the picture makers and exhibitors his high appreciation of the assistance the industry gave the government on the occasion of the first and second Liberty Loan drives.

Every motion picture theatre will be supplied with attractive slides to be flashed upon the screens all over the country calling attention to the great advantage to be gained from the purchase of war savings stamps, a loan to the Government that is guaranteed against shrinkage in value and which at the same time pays interest aggregating 4.39 per cent a year.

Robert E. Cassett, Director for Eastern Pennsylvania of the War Savings Committee campaign expressed himself as immensely pleased at the news from Carlisle that 3,000 Cumberland county school children had begun a campaign for the sale of thrift and war savings stamps. The despatch from Carlisle says the central committee in charge of the sale, headed by George E. Lloyd, district attorney, has offered prizes aggregating \$100 for the highest sales in ten districts.

Sales of stamps in Cumberland county in January were more than \$80,000, placing the county very near the top in per capita sales.

DANGERS OF A COLD

Patton People Will Do Well to Heed Them

Many bad cases of kidney trouble result from a cold or chill. Congested kidneys fall behind in filtering the poison-laden blood, and backache, headache, dizziness and disordered kidney action follow. Don't neglect a cold. Use Doan's Kidney Pills at the first sign of kidney trouble. Here is an experience by a resident of this locality.

W. A. Byrne, mine owner, Main St., Barnesboro, Pa., says: "When I have caught cold, it has settled in my back and kidneys. The result has been lameness and soreness across the small of my back, which I have found very annoying. Whenever I have had prompt relief from using Doan's Kidney Pills. I keep them on hand all the time and don't hesitate to recommend them to others."

Wood pulp is being manufactured into cloth in Germany, according to advices received by the Bureau of Foreign and Domestic Commerce.

The pulp is spun into a thread and then woven into a fabric, the warp of which is linen thread. It is said to be durable and to stand washing five or six times. It is utilized for clothing of all kinds, but especially for underwear.

Mrs. Robbins Looks and Talks Like Woman 29 Years Younger

Mrs. Isaac Robbins, of River St., Carbondale, Pa., woman over 80 years old, said recently:

"I suffered dreadfully with rheumatism. Last winter I had a very severe case of grip which simply aggravated my rheumatism. My hands and arms were swollen terribly and they were, oh! so sore. I never thought I would be any better.

"I read about the good that Tanlac had been doing for others and I got a bottle.

"Tanlac has removed every bit of pain and I do not have a bit of rheumatism now. My appetite is good and since the pain stopped I sleep like a child. The swelling has gone too. My arms are now like they should be and I feel as young as ever I did.

"I recommend Tanlac because it did me so much good that, perhaps, it will help others like it did me. I am willing to talk with any poor sufferer that cares to know more about it before trying it. I think it wonderful!"

The famous Tanlac is now sold here by G. A. GUNN, druggist.

YOU COOK YOUR FOOD—WHY NOT YOUR TOBACCO?

YOU know what broiling does to steak, baking to a potato—and toasting to bread.

In each case flavor is brought out by cooking—by "toasting."

So you can imagine how toasting improves the flavor of the Burley tobacco used in the Lucky Strike Cigarette.
