ditor Patton Courier,

It is the desire of our Major Genvision, National Army, that every solmerly of Ohio and Western ania, write a few words of ing the great movie film entitled. "The Remaking of a Narion." This picture was taken at Camp Sherman, where a number of the Pennsylvania boys are in training. There is hardly any doubt that it will find its way tention of the board in charge of war every town of a fair size. They urge of camp life. I had the pleasure of being present at the Liberty Theater last Monday when our battery atnded in a body to witness this specthe picture begins with the en-trained into each of the "rookies." It is declarable to the entrainment of the first day of dell to the era of the
