## Hackett and Barrientos in Exquisite Rigoletto Love Duet

These exclusive Columbia artists make a marvelous vocal combination in "E Il Sol dell'Anima," the matchless duet of the Duke and Gilda from Verdi's *Rigoletto*. His seductive pleading and her response make this the supreme love aria of one of the greatest of all operas.

## Grainger Sparkles in "Polish Dance"

That enticing melodious mixture of blitheness and pathos, Scharwenka's "Polish Dance in E Flat Minor," ripples forth alluringly under Percy Grainger's lightsome touch. On the reverse this exclusive Columbia artist renders that popular favorite by Grieg, "To the Springtime," and his own sailor's chantey, "One More Day, My John."

## Seidel's Violin Sobs "Eili, Eili"

A marvelous feat of musicianship is this exclusive Columbia artist's rendering of "Eili, Eili," that age-old agonized cry to heaven. Actually human cries of despair, the wailing and sobs of multitudes, are in the tones of Toscha Seidel's violin.

### Badly Hurt in Machinery.

When his overalls caught in a mangle machine at the Keystone woolen mills, Gulf Mills, Joseph Clinton was thrown in the air and whirled about, finally being dashed against the wall. When fellow-employees reached him he was unconscious, and it was found that his right arm was broken and his head badly cut. He will recover.

### Two Hurt in Runaway.

When their sled skidded into a snow bank and overturned at Eldorado last Thursday, causing the horse to run away, Miss Laura K. Falkner, 50 years old, and her uncle, D. Frank Stoler, 77 years old, of Canaan Station, were thrown out, the former suffering a fractured left shoulder and the latter four broken ribs and internal injuries.

### Farmers' Alliance Officers.

The thirtieth annual convention of the Pennsylvania State Farmers' Alliance at Williamsport installed the following officers: Guy W. Lindsey, Susquehanna county, president; Leslie Shaffer, Bradford county, vice president; James Clough, Susquehanna county, secretary; W. P. Moon, Carbon county, treasurer. A discussion of the eight-hour day for farmers featured the closing session.

### Four Miners Killed.

When the carrier wheel bounced out of place late Thursday afternoon, and struck a ladder in the new shaft being sunk at the Kasika William Colliery of the Alliance Coal Company, near Middleport, a bucket in which four men of the night shift were being

hoisted to the surface was sent crashing to the bottom of the shaft, a distance of about 400 feet. The men were instantly killed.

### Sets Fire to Cell in Jail.

After setting fire to his bed clothing and flooding his cell in Perry county jail, Samuel B. Shumaker, of Leysville, a well-to-do farmer, has been declared insane and will be sent to Philadelphia for treatment. Shumaker was on bail for a hearing on his petition for retrial, following conviction on a serious charge when he assaulted a son-in-law and was again sent to jail. After being locked up he fired his bed clothing.

### Scrapping A Railroad.

Salvaging the Youngsville Sugar Grove Railroad is progressing rapidly and the road is now nearly a memory. The line was built several years ago, and for a time a steam locomotive and one car was operated, but for two or three years an automobile with flanged wheels formed the motive power. The road was recently sold at auction to E. C. Thompson, who has a force of men at work tearing up the rails and ties and shipping them to Baltimore, where they are being relaid.

### Asks U. S. To Work Mines.

Thomas Kennedy, president of the United Mine Workers of the Hazleton district, Friday sent a telegram to United States Attorney General A. Mitchell Palmer, suggesting that steps be taken to have the three idle collieries of the G. B. Markie Company operated by the Government through the United States Fuel Administration, in the absence of any settlement of the dis-

pute with the Union Improvements Company, of Philadelphia, over renewal of the leases. Two thousand men have been idle since the first of the year, and President Kennedy urges that prompt action be taken to resume work.

### State Police Quit Strike Centres.

More than half of the State policemen on duty at steel strike centres have been withdrawn since the official ending of the strike. Deputy Superintendent L. G. Adams is arranging new stations following the recalls.

When John M. Steinmetz, an employee on the Bollinger farm near East Cocalico, was caught in a corn-shredding machine, an arm was torn from the socket.
