A second case of leprosy which fortnight was discovered by health authorities at Boston today. Nicholas Bruno, a cement worker who came from Baltimore last summer, was found to be suffering from the disease and will be sent to the State leper colony at Penikese Island.

Positive assertion that the British government does not plan to seek further loans in the United States, but on the contrary is desirous of reducing the obligations it already has incurred here, is included in a statement from London, transmitted to Secretary Glass through R. C. Lindsay, British charge d'affaires, and made public tonight.

Appointment of Fred C. Croxton of Columbus, federal food administrator and vice chairman of the branch of the council of national defense in Ohio during the war, as assistant general manager of the Red Cross was announced today. Mr. Croxton will be in charge of the service organization, a division formed for the purpose of co-ordinating the various lines of community activity into a unified Red Cross service.

Fire today in New York virtually destroyed the entire interior of the United States shipping board's wooden steamer Kaskasia, which was moored at Hoboken. The steamer was towed up the Hudson river and beached on "flats" off the New Jersey shore near Woodcliff. The blaze started in the cabins and was spread by a high wind.

Bolshevist agents entrusted with messages regarding sensational widespread Red plans have for a considerable time been traveling between Berlin and Soviet Russia on false credentials, it is stated in official quarters. The credentials they carried are said to have described them as delegates of the American Red Cross mission in Berlin to conduct investigations regarding the exchange of German prisoners from Russia.

A total of 65 prominent Sinn Feiners and Republicans have been arrested in Dublin, Tipperary, Limerick and Cork. There were no further developments in the situation today.

By a virtually unanimous vote, Lincoln, Neb., taxpayers, at a special election yesterday, authorized the school board to grant a uniform increase of \$400 a year to teachers in the public schools. Present salaries range from \$967 in the grades to \$1100 in the high schools.

Thirty-two carloads of food, presented by the International Workers' Union to the Viennese workers, have arrived at Vienna from Holland.

Private owned engine stations, now controlled by the navy department are to be restored to their owners "as soon as peace is declared," Rear Admiral Griffin, chief of the bureau of steam engineering, told the house naval committee. Eleven high power stations of the Marconi Wireless Co. are the principal ones to be affected, he said.

Negotiations between department of justice officials, charged with driving down living costs, and representatives of interests engaged in the manufacture and sale of men's clothing had made little progress tonight towards the development of a policy tending to bring lower prices. The trade representatives were urged to shave their margin of profit by one means of producing lower prices, but this suggestion apparently had developed a heated argument.

The steamer Westmoreland, which ran aground early today in fog off Cape Henry, has been floated the coast guard cutter Manning reported tonight by wireless. Although messages failed to give the nationality of the vessel, it was believed here to be a shipping board steamer.

Republican leaders of the senate joined forces with the Democrats today to bring the peace treaty back into the open senate at the beginning of next week. Countering the Democratic plan to reopen the debate a week from tomorrow, Senator Lodge of Massachusetts, Republican leader, served notice that he would make a similar effort a week from today.

Sixty-four barrels of whisky, 3,000 gallons, were taken by thieves from the Menck-Arey warehouse on the eastern limits of Baltimore Sunday morning, loaded in trucks and spirited away. The barrels were rolled out and loaded on trucks. This is the seventh time this warehouse has been entered.

The purchase of 17,000 caskets, at a cost of \$1,104,508, to be used for the return of army dead from Europe has been completed by the war department, in accordance with its announced policy to return as soon as practicable the bodies of American soldiers buried in France to the next of kin, for interment in this country.

Washington, D. C.—Carrying \$31,000,000, approximately \$7,000,000 less than the Department estimates, the annual Agriculture Appropriation bill was ordered formally reported to the House Saturday by the Agriculture Committee. The total is \$3,000,000 less than the appropriation for this year.

A new provision authorizing collection of fees for grazing privileges on public domains, which is expected to produce approximately \$2,000,000, was included in the bill.

Following refusal of Mount Pleasant borough officials to sign an application card for gas when notice was given that free service was to be discontinued, the Fayette County Gas Company has cut off the supply to the municipal buildings. The borough has already installed coal heating appliances.

Drastic reduction in the number of national banks designated as Government depositories is being made by the treasury department, with the result that less than 400 of the 1331 such institutions holding Federal funds on June 30, 1919, are expected to survive the pruning knife.

The army reorganization bill, with its compulsory military training provision, reported by the Senate Military Committee, not only will cost the taxpayers more than \$1,000,000,000 annually, but will result in "militarism run mad," said a minority report filed in the Senate today by Senator McKeellar, Democrat, Tennessee.

The Harvard University committee on economic research, appointed to make special studies of economic conditions, has just announced that the United States may expect a check in the upward movement of prices and of business activity, which has been in progress since last April, and perhaps a drop in prices. At the present time, however, the committee states, and on the basis of the November and December figures, it would be premature to conclude that a violent recession in commodity prices is probable.

Samuel Adams, of Chicago, editor of the American Fruit Grower, today announced his candidacy for the Republican nomination for vice president, stating that he favored enactment of drastic legislation to check profiteering and development of better marketing facilities to reduce living costs.

AGRICULTURE BILL CUT. Washington, D. C.—Carrying \$31,000,000, approximately \$7,000,000 less than the Department estimates, the annual Agriculture Appropriation bill was ordered formally reported to the House Saturday by the Agriculture Committee. The total is \$3,000,000 less than the appropriation for this year.

A new provision authorizing collection of fees for grazing privileges on public domains, which is expected to produce approximately \$2,000,000, was included in the bill.

Following refusal of Mount Pleasant borough officials to sign an application card for gas when notice was given that free service was to be discontinued, the Fayette County Gas Company has cut off the supply to the municipal buildings. The borough has already installed coal heating appliances.

Drastic reduction in the number of national banks designated as Government depositories is being made by the treasury department, with the result that less than 400 of the 1331 such institutions holding Federal funds on June 30, 1919, are expected to survive the pruning knife.

The army reorganization bill, with its compulsory military training provision, reported by the Senate Military Committee, not only will cost the taxpayers more than \$1,000,000,000 annually, but will result in "militarism run mad," said a minority report filed in the Senate today by Senator McKeellar, Democrat, Tennessee.
