Patton Man Has Leg Broken In Accident At No. 28 Mine Saturday.

Frank Fuller, of Patton, outside superintendent at Mine No. 28, of the Pennsylvania Coal and Coke Corpor- Mr. Clarence Blair was a former Pat-

Mr. Fuller had been standing on the track near the entrance of the mine. A trip of cars was being hauled at the time and through some accident the cable was given slack. The result was that Mr. Fuller was struck result was that Mr. Fuller was struck by the cable and thrown to the ground with such violence that a fractured leg resulted.

Surgical aid was immediately summoned. Mr. Fuller is resting comfortably, but as yet has been unable to have a cast made for the fractured member, due to the swelling. It is estimated that a week will elapse before Patton Chairman of Red Cross,
