FOR STATE SENATOR

I am a candidate for the Republican nomination. I hold that Farm and Industrial LABOR should have a larger share in our law-making.

Corporation Barons and Lawyers should not, as they now do, comprise almost the entire membership of our law-making bodies.

THE POWER OF MONEY TO BUY SEATS IN OUR LEGISLATURES SHOULD BE DESTROYED.

I am in hearty accord with the Eighteenth Amendment to the Constitution of the United States. I am "Dry."

We Sell Genuine International Repairs

Made For

The Line

By the

INTERNATIONAL HARVESTER COMPANY

REPAIRS made for International implements and other farm equipment by the Harvester Company are the only repairs made from the original patterns. All others are copied from copies, and in this roundabout reproduction they may lose in correctness of shape, sharpness of detail, closeness in fitting, and quality of material. These repairs are made for Denning, McCormick, Milwaukee, Titan and other International-made machines.

Genuine Repairs

Are Better in Quality
Fit Better and Wear Longer

The Harvester Company stands back of its machines. Be fair in the matter. Do not substitute imitation repairs for the genuine and expect best service. Repairs made by other concerns and marked "Made for" or "Will fit", are not genuine IHC repairs. They often lack weight, are not always correct in shape, are imperfectly finished, do not fit properly, or are made of inferior material. Buy Genuine International Repairs for your International Farm Equipment.
