**THAT BAD BACK.**  
Do you have a dull steady ache in the small of the back—sharp stabbing twinges when stooping or lifting—distressing urinary disorders? For bad back and weak kidneys Patton residents recommend Doan's Kidney Pills. Ask your neighbor. Read this Patton woman's statement.  
Mrs. James Cairns, Terra Cotta avenue, says: "I was troubled with my kidneys for a long time. I had severe pains across my back, especially after I did any washing or ironing. I had dull dizzy headaches nearly every day. Doan's Kidney Pills soon strengthened my back and relieved me of all the headaches. I continued using them until I was well and strong and they have kept me in fine health ever since." (Statement given Oct. 10, 1917).

**Agains Pralises.**  
On Jan. 29, 1919 Mrs. Cairns said: "I feel the same about Doan's Kidney Pills as I did when I recommended them. I haven't needed them since."
