This Is Just the Way We Feel

From the Patton Dispatch: The Patton Courier has been moving, and believe us or not, leaving a printing plant in some place. We know whereof we speak, for once upon a time we were contacted with just such a job. Just prior to taking said moving we had made application to a gent who stood back of the magazine, for a glass of wine and had been refused—looked too young and innocent. When the transferring of the "hell box" and other equipment that goes with a printing office had been transferred to the new location, we felt that a little more life insurance policy be out of place and straight away made application. Did we get it? We did not—too old looking—at least that's what they told us.

STOP THAT ACHE!

"Don't worry and complain about a bad back. Get out of that pain and lameness" Use Doan's Kidney Pills. Many Patton people have used them and know how effective they are. Ask your neighbor. Here's a Patton case.

Harry Fisher, of Lang ave., says: "I had weak kidneys for five years and my back ached so that I was afraid to read over. I also felt dull and my head ached very much. I saw Doan's Kidney Pills recommended so I bought some at Gunn's Drug Store. The first box gave me relief, and after using a second box, the trouble disappeared. Every time I have a cold it settles on my kidneys but does not bother me so much, because I always have Doan's Kidney Pills in the house and they drive the cold away. I would not be without Doan's in house for they certainly are a fine remedy."

Price 60c, a all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Maryann Fisher had. Foster Milburn Co., Mfrs., Buffalo, N. Y.
