St. Benedict News Brieflets WEEK'S MARKETS CORDELL'S SEEDS

We handle the Alfred J. Brown Seeds, and these seeds are known by the distinction of "TESTED Seeds". The seeds sent out by them are not only tested as to vitality, but they are carefully grown. All carefully rogueb and throughtly inspected by men of long experience in seed growing and we KNOW they are good and will give the best of satisfaction.

This is the 36th year of Brown's successful seed growing. Through the success of his seeds our business has constantly grown. They have met with such success that patrons of last year as well as previous years are already returning to us.

and quantities are ample

Whether it be clover or timothy seed, vegetable or flower seed. you will find that our store has them in abundance, and above all, they are seeds that you can rely upon. They have been tested year in and year out They have never yet been found wanting.

Why do men and women become build? Why do people have dandruff? And why is you hair lling out " These whys are not worrying those who have used FORST'S ORIGINAL BARE TO HAIR They have found it to do all claimed for it. Our advice is obtained from practical experiments. Bure To Hair is not a Tonic, but a scalp fertilizer, germsoide and hair grower. A a duty to humanity we appeal to you to investigate the merits of BARE TO HAIR before you spend your money. Remember there are yet a few honest people in existence. We have scores of people, men and women in Parton who have used this Marvelous and Infallible Specific for all-sorts of Scalp Troubles. Read the following testimornal. We have lots of them on file of people whom you know very well and letters of praise and congratulation that the Manufacturer himself is receiving every day from all over the UNITED STATES. You are doing an injustice to yourself if bothered with any kind of hair and scalp trouble. regardless of its nature and the length of time that you have been affiliated and not give BARE TO HAIR a fair trial to be convinced. Be not skeptical; do not neglect you hair; start in time and get micker results; procruetination mostly leads to future regret.

To Whom It May Concern

After being discharged from the U.S. Air Service, I was greatly troubled with dandruff, itching scalp and falling hair. After first few applications of FORST'S BARE TO HAIR I got instant relief and got rid of my dandruff, also stopped my hair from coming out. I have also a ticed new bair; several Respectfully, piaces on my scalp. I have had good results.
