General Pershing Canvas by Mai. Albert De Kossak

When Kaiser Wilhelm riding across a sandy beach in Potsdam, posed for Mai. Albert De Kossak sixty years ago, he little dreamed that one day the Kossak would paint the general who was destined to help overthrow the military armies of Germany. Yet that is what has happened, only instead of posing for the artist, as the one-time Kaiser did, on a wooden horse, General Pershing was sketched on his lively thoroughbred, Kambay. Major De Kossak is now putting the finishing touches to the canvas, which when finished will be presented to the United States Military Academy at West Point in behalf of Poland.

Here's why CAMELS are the quality cigarette

BECAUSE we put the utmost quality into this one brand. Camels are as good as it's possible for skill, money and lifelong knowledge of fine tobaccos to make a cigarette.

Nothing is too good for Camels. And bear this in mind! Everything is done to make Camels the best cigarette it's possible to buy. Nothing is done simply for show.

Take the Camel package for instance. It's the most perfect packing science can devise to protect cigarettes and keep them fresh. Heavy paper—secure foil wrapping—revenue stamp to seal the fold and make the package air-tight. But there's nothing flashy about it. You'll find no extra wrappers. No frills or furbelows.

Such things do not improve the smoke any more than premiums or coupons. And remember—you must pay their extra cost or get lowered quality.

If you want the smoothest, mellowest, mildest cigarette you can imagine—and one entirely free from cigaretty aftertaste.

It's Camels for you.
