Paymaster of Coal Company Shot in Arm While Defending Suitcase Containing Money.

PITTSBURGH—A trailer car of the Pittsburgh & Ohio Coal Company was held up by four masked men near Eldora Park at 1:30 o'clock Friday afternoon, and the paymaster of the Younghighy & Ohio Coal Company was shot in the arm while defending a suitcase containing \$40,000. The robbers escaped with the money in an automobile waiting for them at the scene of the hold-up.

The car had stopped for passengers at Eldora Park when two men slipped quietly behind it and pulled the trolley pole off the wire. At the same moment two men boarded the front of the car and, drawing their pistols, told the passengers to remain seated. The paymaster rose in his seat with the suitcase in his hand, and at that moment was shot in the arm. He dropped the suitcase, a robber caught it up and all four men ran to their automobile nearby.

The wounded man, Charles Porter, was given medical aid, and the alarm quickly spread. Constables and police were sent out from Charleston to track the robbers, while every policeman in Pittsburgh was hurried to the roads leading into the city from the Monongahela Valley.

The Younghighy & Ohio Coal Company later offered a reward of \$2,500 for the arrest of the robbers. The money had been drawn from a Pittsburgh bank Friday morning and was to have been used in paying the company's employees.

HOG EXHIBIT OF CAMBRIA COUNTY BREEDING CLUBS AT CARROLLTOWN FAIR

The three pig breeding clubs of Cambria County are planning to exhibit at the Carrolltown Fair this season. One club is composed of Charles White pigs and is located in the vicinity of Hastings. This club was sponsored by the Cross Roads Grange and has been doing very good work. The foundation stock for this club was purchased from Erie and Washington Counties. The breeders in this club include—Paul Yabner, Martha Westrick, Agnes Westrick, Hilary Kibler, Cecil Kibler, Benjamin Kibler, Maurice Thomas, Frank Abel, Amanda Westrick, Michael Volk, Joe Shero, Walter Holtz, E. J. Westrick and Dennis Westrick.

The second club in the vicinity of Carrolltown is that of the Pennsylvania Club. The foundation stock for this club was purchased from Colver Farms, Colver. The men in this club are—John Griffith, Harvey Evans, Elmer Howland, Robert Gittings, Jesse Griffith, J. R. Smith and Leonard Thomas.

The third club of Chester White breeders in the vicinity of Carrolltown includes the following members—Clarence Griffith, Edw. Bowers, Leonard Thomas, Evan Griffith, Edw. Cameron, Robert Gittings and Herman Ager. The foundation stock was purchased from L. B. Rusterholtz of Erie County. This club also started work in June of this year.

All of the members in these clubs are taking an active interest in having better stock and the exhibit made by these members should be equal to the livestock shown at any fair. The Carrolltown Fair Association has offered special prizes for the club making the best exhibit and members of the breeding clubs are also eligible to enter their stock in the general classes as well. The Farm Bureau which is responsible for the agricultural extension work in Cambria County is very glad to see the interest that the Fair Association is showing in offering prizes to these breeding clubs, and feels that it will stimulate the pure bred livestock interests of the county.

BONUS BILL SHELVED

WASHINGTON, D. C.—The soldier bonus bill finally recommitted Friday to the Senate Finance Committee as requested by President Harding. The vote was 47 to 29. Nine Republicans voted against recommitment. They were Bursam, Capper, Elkins, Harrell, Jones, Washington, Ladd, LaFollette, Norris and Sunderland. Another Senator, John C. Calhoun, was paired with McCumber, North Dakota, against recommitment.

Eight Democrats voted for recommitment. They were Dial, Glass, King, Myers, Simmons, Swanson, Underwood and Williams. Three more Democrats, Pomerene, Shields and Smith, South Carolina, were paired in favor of recommitment.

EBENSBURG MAN HURT

Charles Diecher, employed as a carpenter by W. H. Fissel & Company, courthouse contractors, had the forefinger of his left hand badly lacerated Thursday when he accidentally struck the member with a hatchet. He severed an artery and some difficulty was experienced in checking the flow of blood.

HUNGER PROMPTED BURLARY

UNIONTOWN—"Starvation drove me to this," S. D. Delaney, of Latrobe, said to have remarked when arrested Friday in a store at Mount Braddock, near here. According to the sheriff, Delaney was attacking a safe when officers entered the store. He was brought here and charged with attempted robbery. Beside the safe, the officers said they found a package containing meat and crackers. The sheriff said that the prisoner told him he had been unable to secure work since March 5. Conditions became such that he sent his wife to her home. Delaney had had nothing to eat for three days and said he entered the store in the hope that he would escape starvation, according to the sheriff.

MOVIE MEN ASK PERMISSION TO EMPLOY GIRLS

HARRISBURG—Petition has been made to the State Industrial Board by the Motion Picture Owners' Association to permit employment of women less than 21 years of age as usherettes, musicians and cashiers from 7 until 10:45 P. M. The law allows employment of girls less than 18 only until 7 P. M., except as telephone operators or nurses. The association says it represents more than 1,000 theatres. It is pointed out that the work is not arduous and at most the employment would not be for more than two hours.

FOUR STEEL FIRE TOWERS WILL BE ERECTED

Material and equipment for the four 60 foot steel fire towers, to be erected in the Gallatin district, has been received and delivered to the sites, according to the report of District Forester Walter D. Ludwig of Johnstown to the State Department of Forestry. Erection of the first tower in Lower Yelder Township, on the property of Attorney F. P. Martin of Johnstown will be started next week and the work will be rushed to completion as rapidly as possible. A telephone line will also be run to each tower so that the towermen can notify fire wardens promptly at the first indication of flames.

Tower No. 2 will be located near Chickaree schoolhouse, Jackson township on the property of the Vinton Colliery Company. This tower will cover portions of Cambria and Indiana Counties and will afford needed protection to forest lands particularly subject to fires.

Tower No. 3 will be erected on a high point of land near St. Lawrence owned by Henry Leiden and will cover sections of Cambria and Clearfield Counties.

Tower No. 4 will be situated on property of Joseph Seguin near Highland Hill, Logan Township, Blair County and will cover a large section of the Allegheny mountains where fires have been prevalent in the past. Erection of the towers will be in charge of Warden C. E. Williams of Altoona, who has been doing special work for the forestry department for the last month.

All the tower sites have an elevation of more than 2,000 feet, the cabin for the towerman rests on the mountain tops. The cabin is reached by a narrow path of steps. All the steel work is galvanized to protect it from the weather.

According to Forester Ludwig, the location of these towers will simplify the protection of the forest lands in the district and will enable the Forestry Department officials to spot out any smoke arising over a large portion of the Gallatin district. With maps and a field glass the towerman should be able to locate the fire within a few miles and to call the nearest fire warden by telephone.

DEVELOPMENTALY HURT BY FALL OF ROCK IN MINE

James Zeller, of French, a patient at the Mercy Hospital, Johnstown, suffering from injuries sustained Friday afternoon, was brought under a fall of rock in a mine. He suffered the fracture of his right leg, a dislocation of the left leg and lacerations and bruises about the face and head.

CONFIRMS LARGE CLASS

A class of 160 children was confirmed at St. James' Catholic school of Gettysburg, Sunday morning by the Rt. Rev. John A. McGeer, D. D. Bishop of the Altoona Diocese.

RIGHT FOOT INJURED

Walter Hainig, while at work at the Navy smelter, Mine yesterday, had his right foot injured by being caught under a moving machine when it left the track.

OVER THE STATE

By the will of Mrs. Lydia Shroy the Second Reformed Church of Gettysburg, received a bequest of \$20,000.

In the last two weeks more than 10,000 tons of coal have been shipped from the Connellsville region to Gettysburg.

Throat painters of McKeesport would accept a wage reduction of \$1 a day and will return to work immediately.

John Galar of Frank, was notified by death when a horse tub blew up in the boiler house of the Westmoreland Coal Company.

A case of infantile paralysis at Altoona was reported to local and State health authorities, the victim being a two-year-old boy.

Officers of the Department of Labor and Industry in Erie and Williamsport have been closed to reduce expenses.

Six men were overcome by smoke and gas when fire broke out in the Gallatin mine of the Pittsburgh Coal Company near Webster.

Property valued at \$10,000 will be increased by the York School Board to be used as a site for an annex to the High School building.

Through 29 feet in the air by premature dynamite blast in a Lewisburg quarry, Clarence Yeaster, 30 was seriously injured, but will recover.

A petition asking for the reduction of a article Council from 15 members to 10 is being prepared for circulation.

John F. Laughlin, a veteran of the world war, lost his life while swimming in the Susquehanna River, near near Wycox.

Auditor General Lewis was elected chairman of the State Revenue Board at the annual meeting, and J. W. Myers, secretary.

Caught by a blast of dynamite at the Buckridge Coal Company's colliery near Shamokin, Ruffus Vanhook a miner was blown to pieces.

The Governor has appointed J. A. Zerling, of Pottsville, to represent the State at the Press Congress of the World at Honolulu, October 4.

A series of rulings establishing a wage system at the Industrial Home for Women at Monaca, were made by Deputy Attorney General Collins.

After killing half a dozen large copperhead snakes at the Seibert colliery in the Lewistown Narrows, some of which had crawled up on the porch and even into the kitchen, Miss Sara Seibert wrote a sideboard note to the chairman of the pilgrimage arrangements committee has opened headquarters at 627 West Forty-third street, New York, and is daily receiving letters and telegrams requesting reservations. Representatives for the trip are selected through the various state departments of the Legion. Expenses are borne by the individual members of the party, except in cases of local postage defraying expenses of representatives selected by them. It will require about six weeks to make the trip, including sailing time. An elaborate program of events in honor of the Legion pilgrimage has been announced by the French Government.

RESIDENT AUTOMOBILE SALESMAN WANTED

Dealer's Discount to Right Party

The manufacturer of a high grade six cylinder car in the moderate price class offers a real money-making proposition to the right man in this territory who possesses sales ability and energy, and who is well and favorably known among his neighbors.

This proposition is one which will enable such a man to quickly develop a business of his own on a very small capital.

To the right man we are prepared to give our regular dealer's discount on a demonstrator, and pay a liberal commission on all sales made.

Ability creates capital. We will assist the right man to capitalize on his ability. Give telephone number in your reply.

AMERICAN LEGION NEWS

"Good-bye, Hello, France" song relic of the late war, will again be sung when 250 members of the American Legion sail August 3 from New York for a tour of the erstwhile battle-grounds of France. By experience the "good and glorious" feeling of going to France without having to worry about getting shot, is the dream of many every member of the former A. E. F. This desire to re-

turn to the old battle fronts is indicated by the rapidly with which the Legion's pilgrimage to France is being filed. John W. Wacker, Jr., chairman of the pilgrimage arrangements committee has opened headquarters at 627 West Forty-third street, New York, and is daily receiving letters and telegrams requesting reservations. Representatives for the trip are selected through the various state departments of the Legion. Expenses are borne by the individual members of the party, except in cases of local postage defraying expenses of representatives selected by them. It will require about six weeks to make the trip, including sailing time. An elaborate program of events in honor of the Legion pilgrimage has been announced by the French Government.

No man has a monopoly on fame and fortune. No man, group of men or governmental system can bar the individual from his inalienable right to progress," writes Judge Kenneth Mountain Laska in the current issue of the American Legion Weekly.

Brigadier General Asher Miner, of Wilkes-Barre, Pa., who lost a leg in France, was one of the speakers at the banquet tendered by the New York Shipbuilding Corporation on the occasion of the trial trip of the new liner "American Legion." General Miner was responding to Major General Price, of Philadelphia, who told how his comrade, after losing his leg had agreed to go before his men for moral effect. "The loss of that leg," declared General Miner, "is justified by the privilege of being a member of the American Legion."

Service bureaus of the American Legion have become accustomed to unusual requests, but the one received recently by the bureau at Omaha, Neb., is unique. The request came over the telephone from the possessor of a sweet feminine voice. "I would men for the evening," said the voice. "They are to be escorts in a theatre party."

The request was complied with. The American Legion host at Marberry, Kan., which was first prize in the recent membership contest, reported that fifty of its total enrollment of sixty-six men are uniformed and men for the evening, are more than farmers, clerks, doctors and school teachers.

The Loyal Order of Daughters has been founded at Ft. Myers, Fla., by "Dad" Sheldon Foote, who has announced that membership will be open to all fathers of ex-service men of the army, navy and Marine Corps of the United States, who served in the Spanish, American or world wars, or who are now in service. The members will encourage clean, patriotic living in their communities, irrespective of party, politics, race or creed. The organization will be affiliated with the American Legion. The headquarters will be at Ft. Myers.

Charles W. Bartlett, chairman of the national convention of the American Legion, will go to France next month as a member of the commission to represent Missouri in the purchase of a site for a memorial to France in Missouri's soldier dead. While in France Mr. Bartlett will call upon Marshall Foch and extend to him personally the written invitation which the latter has accepted to attend the national convention of the Legion at Kansas City October 31st and November 1st and 2nd.

Ray L. Rucker Post of the American Legion at Apache, Okla., has offered a reward in any person who will find an ex-service man within ten miles of the town who is not a member of the American Legion.

Walking hand-in-hand with her younger brother, Pearl Schetz, 10 years, daughter of Mr. and Mrs. Rhine Schwartz of Lansdale, was struck by a locomotive on the Philadelphia & Reading tracks and hurled to yards. Persons expected to find her dead. Instead, she was conscious and only slightly injured. Her head was gashed and her body bruised and cut.
