The Patton High track team has entered training for the coming meet to be held at Ebsburg the first Saturday in October and they have gone into it as they always do, with the desire to win next better than last year. With such stars as Quinn, Christoff, Larimer, Young, Morsy, for the dashes and jumps, Gooderham for the relay the boys should take their share of honors. Patton looks good in the mile. The girls are also very strong this year and their hopes for points are many. The proven stars for the girls are Marie Karlsheim, Thelma Larimer, B. Palcho, Anna Homyak, and M. Commons. There are many others in training that will prove their work and Professor Bosserman and Mr. Keil look forward to taking the meet this year. With the new track that the people of Patton built and the wealth of material in the high school the cup should surely come back to Patton.

H. C. Waddell, of Belmont, has been appointed prohibition enforcement officer for the Westmoreland county district.

The Best Amusement Organization Ever on Tour Coming to the Mishler Theatre Altoona -- 3 Nights Monday, Tuesday, Wednesday Sept. 26, 27, 28 Matinee Wednesday

In announcing Guy Bates Post and his excellent company as the best amusement organization ever placed on tour, I am only repeating the opinion expressed by every theater manager where this matchless attraction has been presented.

When negotiations began to have Mr. Post REMAIN in the United States during the present season, his manager, Richard Walton Tully, and already completed arrangements to have Mr. Post and his unusually excellent company appear in Mr. Tully's theatre in London in both "Omar the Tent Maker", his former success, and "The Masquerader", in which Mr. Post has been so phenomenally successful the past four seasons.

The Associated Theatre Managers of the United States did not relish the plan of having its leading dramatic attraction, Guy Bates Post, leave America before all its theatres had been played, and as Mr. Post had but recently toured Australia it was deemed best to have him again tour the United States before making a prolonged run in London and English Provinces.

This same excellent company that was to have visited London will this season visit the leading cities of the United States, and excepting for a few minor roles, it is the same company that has presented this unusual success for almost five consecutive and continuous seasons, the same wonderful scenic equipment, with its massive double revolving stages, its two mechanical cranes, its triple electrical equipment and invaluable resources that require three mammoth cars to transport, will visit Altoona three nights, Monday, Tuesday and Wednesday, September 26, 27 and 28, and a matinee will be given Wednesday.

The stage of the MISHLER THEATRE is large enough to accommodate any attraction that has ever visited this city. BUT THE STAGE MUST BE CLEARED OF EVERY VESTIGE OF HOUSE SCENERY AND PROPERTIES, AND THE REGULAR CURTAIN REMOVED TO ACCOMMODATE MR. POST'S MASSIVE PRODUCTION.

THE BOX OFFICE WILL BE OPEN FOR REGULAR SALE OF SEATS, TUESDAY, SEPT. 20.

MAIL ORDERS will be filled in order received now, when accompanied by cheque or Postoffice money order, together with self-addressed stamped envelope (to avoid error) - add amusement tax of 10 pct.

The mail orders and advance sale for this unusual attraction will undoubtedly be the largest in the history of the theatre and we earnestly suggest early application for seats.

Prices are - Boxes \$3.00; First floor, \$3.00, \$2.50 and \$2.00. Balcony, \$2.50, \$1.50; Family circle, \$1.50 and \$1.00; Gallery all \$1.00, for any performance.

Respectfully

I. C. MISHLER
