The Mother Whose Children No Longer Seemed to Want HER

Suddenly they have all grown up and left her, the babies she used to tuck in bed at night. The old house is empty and silent. All have forgotten her. Her birthdays pass unnoticed.

Every child has embarked on a drama of his own. Loves, ambitions, temptations, carry them away. There are moments of laughter and comedy, romance, adventure, tragedy. The story of their lives sweeps you along.

Your life, your home, your mother, as they might have been or as they are. The Old Nest will awaken deep in your heart memories of the mother to whom you ran with your childish troubles.
