

TEN YEARS AGO

Harry Love, aged 43 years, died at 4 o'clock Tuesday afternoon at his home here. He had been suffering a long time with minor asthma. Funeral services will be held Friday with interment in Fairview cemetery. James McGuffin, of near St. Augustine, died Wednesday morning at 8 o'clock at his home, of disease incident to old age. He was almost 70 years of age and had been ill since last fall. The funeral will take place this morning at 9 o'clock at St. Augustine.

Word has been received here that John Ahrens, who left here for J. Astoria, N. Y. last summer, had been killed at that place by a street car on which he was motoring. Dr. S. W. Worrell received a telegram yesterday that his father, W. W. Worrell, had died at his home in Portland, Oregon, aged 84 years. Frank Supple, of the Commercial hotel, who has been quite ill, is improving.

Mr. and Mrs. Harry E. Blair and Mrs. F. R. Morey are in New York City at the bedside of a brother of Mrs. Blair and Mrs. Morey who was operated on last week.

TWENTY-FIVE YEARS AGO

There was a very successful surprise party held at the home of Michael Karlbom on Thursday evening in honor of his fortieth birthday. Patton promises to have a good time all team the coming season. Mrs. Samuel Fisher departed for Houtzdale on Tuesday to attend the funeral of her mother who died on Monday.

Democrat Grange Cornet band rendered some nice music on our streets on Monday. On Monday evening the band proceeded to a hall near the home of Hon. J. J. Thomas in Carroll township, where an elegant address was made by the Hon. A. A. Barker of Ebensburg.

At a well attended meeting held in the Good building the other evening the Patton Baseball club was organized for the season of 1917 with the election of the following officers: Manager, Dr. J. Van Wilson; assistant manager, George Pringle; secretary, W. A. Mello; treasurer, W. H. Blum; captain, Robert Kelly; of local honor, Robert Gorley.

PERSONAL AND LOCAL NEWS

The Misses Wilma and Theresa Ahlstrom, of St. Benedict, spent the week-end at the home of Mr. and Mrs. G. Anderson.

Mrs. F. E. Farabough visited friends and relatives in Hastings last week. A sick bed from Hastings, continuing for Mr. and Mrs. G. Anderson, who has been ill for some time, is greatly improved in health.

Much ice was harvested in Patton the first of the week. Why can't Patton have a boy scout team?

August Urban, Jr., who had a foot badly crushed about a week ago while at work at No. 29 mine of the Pennsylvania Coal & Coke Company, is much improved, and indications point to the early recovery of the injured member.

Phyllis Walsh, of Pittsburgh, was a business caller in Patton the other day. Mr. Walsh is well known in this vicinity, having resided here for a number of years.

Mr. and Mrs. William Deminger of Magee avenue, visited friends in Johnstown on Thursday of last week. Lulu Shankweiler, of this place, was attending in Johnstown on Thursday of last week. She spent the week-end with relatives in the Mountain City.

A Mock Leap year dance will be held by the Patton Young Ladies in the Minors' Hall about the middle of February and indications are that a large attendance will be present. A fine lunch and a good orchestra will be a couple of the attractions. The Patton High School Girls' Basket Ball team defeated the Carrolltown High School Basket Ball team at Sunset Park on Wednesday evening of last week, the score being 10 to 2.

Mrs. Earl Tarr, and daughter Lorraine, returned from a recent visit to Nanty-Glo. Mrs. Jennie Banker spent Thursday of last week with her daughter, Mrs. Ernest Beck, of Coatesville, who has been in Johnstown for some time. Mrs. Banker spent the last of the week with her parents, the Rev. and Mrs. L. Dow Ott.

Now is the time to arrange your theatre parties for "Way Down East." Matinee performances each day—Thursday, Friday and Saturday. "Ed" Larimer, Louis Stevens and Leo Quinn were recent visitors at Roaring Spring.

Paul T. Becker, a former local resident, in connection of his severe connection with Congress and Company, of Johnstown, to assume his new duties as vice president of the Farmers' Trust Company of the same city was honored a banquet by his old and true associates in business at the Grangeville Hunt club the other evening.

Miss Winifred Dunn, and Logan Allison, of this place, called on Hastings friends in Saturday. Charles Bonick, of St. Augustine, was a recent business caller in town. Mr. and Mrs. Walter Washland, of Hastings, recently visited the latter's parents, Mr. and Mrs. Thomas Crooks, of this place.

HEADACHES & NEURALGIA

A prominent lady from Coalport suffered continual headaches and insomnia (sleeplessness) for seventeen months. She was unable to sleep more than two or three hours a night and frequently none. Since the first adjustment she has been almost entirely relieved, sleeping and resting normally. Previously she had been doctoring all the while with medical doctors but no results.

Houtzdale, Pa., July 10, 1919
TO WHOM IT MAY CONCERN:
I had headache for over two years. After one adjustment my headache was cured and I haven't had it since. Thanks to Dr. de Vries, Chiropractor.
MRS. MARY McQUILLEN

Philipsburg, Pa., July 10, 1919
TO WHOM IT MAY CONCERN:
Owing to headache and neuralgia I was compelled to wear glasses continually for 14 years until I took adjustments from Dr. de Vries, Chiropractor. While wearing glasses I suffered frequent headaches but since taking the adjustments I am free from the headaches and the troublesome glasses.
Respectfully,
J. W. AGER,
Formerly from Spangler.

Watch for next week. Three testimonials on headache, backache and lambs, by three prominent families.
