

J. EDWARD STEVENS,

CARROLLTOWN, PA.
 FUNERAL DIRECTOR AND EMBALMER
 Careful and up-to-date service.
 MODERN EQUIPMENT
 Telephone Service—Office and Residence.

Exercise That Rests the Mind.
 Perhaps the best way to rest your thought mechanism is to indulge in muscular exercise, by which means you concentrate your anatomical movements and indirectly rest your mind. To focus the attention upon muscular movements or upon some phase of physical activity is to relax the muscles which are concerned in the generation of thought and ideas. Relaxation is a better word for some sorts of rest.

Average Cotton Production.
 The world's annual cotton crop is about 2,500,000 tons.

Wonderful Physical Mechanism.
 The value of the blow is a more perfect blow than it is possible to imagine. It works its breathing apparatus with a manner that not a drop of energy ever gets down into its lungs.

Only Thought.
 We have a physical courage, or the courage of nerves, of moral courage, or the courage of principles. Besides these there is intellectual courage, or the courage of opinions.—Philip Brooks.

Flying Grasshoppers.
 A species of grasshopper, known to be capable of flying great distances is at times found far from land. The bureau of entomology recently received one of these insects which had been captured at sea, 12,000 miles from the African coast. The specimen was caught on the deck of a Norwegian vessel, and was one of a great swarm of the insects encountered in that region.

WANTED

Safety Razor blades (any make). We hone and sharpen them just as satisfactorily as an ordinary razor.

Don't throw away dull blades. Be wise. Bring them to us; we can save you over 50 per cent.
 A. F. Fregly's Barber Shop in Good Building, Patton, Pa.

FARM FOR SALE—88 acres, located within a mile of Patton, 5 acres of coal on reservation, also some timber land, and water that has never failed. Is known as the old Dietrick Homestead, and contains a six room dwelling house and new barn. Inquire of Frank Dietrick at Cross Roads.

The Advertised Article

is one in which the merchant himself has implicit faith—else he would not advertise it. You are safe in patronizing the merchants whose ads appear in this paper because their goods are up-to-date and never shopworn.
