LIENRY FORD was 15 years getting ready for the L'A new prise on the Fordson. He started as a farm boy, planning to get rid of the drudgery, long hours and low money returns that has always faced the farmer.

He wanted to furnish you with a tractor that would not

only do your work better and faster, but at lower costs

-and the 170,000 Fordsons now in use have proved that he has accomplished those things.
