REPUBLICAN TICKET

- United States Senators DAVID A. REED, Pittsburgh; GEORGE WHARTON PEPPER, Philadelphia; GIFFORD PINCHOT, Mifflin; Lieutenant Governor DAVID J. DAVIS, Scranton; Secretary of Internal Affairs JAMES F. WOOD, McKeesport; Representative in Congress GEORGE M. WERTZ, Ephrata Township; Representatives in General Assembly MISS SARAH M. GALLAHER, Second District; WILLIAM H. SMITH, Chambersburg; I. M. CHAPLIN, Ferndale.

How Different Now

"Not one word will be said which will prejudice party harmony after the primary election." Anderson H. Walters said this prior to the primary election.

Don't Be Fooled, Vote the Straight Republican Ticket.

The issue of the campaign of the Republican party in this county is to elect a straight ticket. It is to elect a ticket that will give the greatest good-alignment gang ever composed of Democrats and a "very few" disgruntled erst-while Republican office seekers, who regard facts about as much as trying to grow hair on a billiard ball.

Before the Primaries

"The source of opposition and myself are in full agreement on every material principle which the Republican party represents or endorses."

Personal Jealousies.

As a showing man groups at a straw, as do the political rivals of the Hon. Geo. M. Wertz, Republican candidate for Congress, grasp at political straws in their efforts to save themselves from the humiliation of defeat.

also in the same talk was "It would be a public calamity if the next Congress would be in opposition to the Republican administration as it tries to adjust international relations under the treaties of the Washington Conference."

Despite this the Johnstown Tribune daily in editorials and specially written articles assails the Hon. Geo. M. Wertz, as well as other Republican candidates, and the statements made are such as to work for defeat of the ticket in Cambria county, should the readers of the Tribune take the stories to heart.

When He Thought He'd Win

"I will not favor or encourage anything that will serve to incite a division which may threaten Republican success in November. It would be a public calamity if the next Congress would be in opposition to the Republican Administration as it tries to adjust international relations under the treaties of the Washington Conference and the authority to fund the debts due us from foreign nations."

Vote for Chaplin and His Running Mates.

I. M. Chaplin, of Ferndale, at present an assemblyman from the second district of Cambria county, and also the republican nominee for re-election to that office, should be given the support of every voter at the general election next month.

Has A Clean Record

Geo. M. Wertz has been an active force in politics of Cambria county for many years. He has served the public in office and his record is clean. In their mad quest to be elected, the Bailey-Walters gang and their "independent" candidates for congress have had to admit utter failure.

Miss Callagher's Message

- 1. Every citizen should be industrious, self-supporting; should pay taxes to maintain the government; should obey laws, and assist in maintaining order; should cultivate a patriotic spirit; should sacrifice personal advantage to public good; should study the history of our country; should observe, investigate and participate in current events.

Regular Nominee

Geo. M. Wertz is the regular nominee for Congress from this district. He was nominated in a fair and clean fight. He should have the support of all Republican voters.

A Better Flashlight

We want everybody to see the fine line of Winchester Flashlights in our store. They are beauties! Many special features of design and sturdy construction have made these high grade flashlights very popular.

The Winchester patented two-position safety switch makes it impossible to push it on accidentally and waste your battery. The coarse pitch threads will not cross. One-piece lens construction insures perfect contact between the battery and lamp.

Get a Winchester, it's safe and dependable. Keep it in a handy place and you will wonder how you ever got along without it.

The Johnstown Tribune is not a Republican newspaper, and should be so designated. It is Republican only when its editor is pleased. Defeat for a nomination evidently displeases him.

Fordson THE UNIVERSAL TRACTOR

Cut your \$395 farm costs in half with the Fordson. F.O.S. DETROIT

This Value Has Never Been Duplicated. It takes nothing besides engineering to furnish a tractor like the Fordson to sell at the astonishingly low price.

That something is owner confidence built on permanent satisfaction. There are 170,000 Fordson tractors in use—wherever Power Farming is being done Fordson is showing superior service.

Diehl's Garage, Patton

WHAT GIFFORD PINCHOT SAYS OF Geo. M. Wertz.

Gifford Pinchot, Republican Nominee for Governor, in speeches at the Cambria Theatre, Johnstown; the Auditorium, Ebensburg, and at Portage last Saturday, said,

"George M. Wertz, your candidate for Congress, is a man whose character and record give no Republican an excuse for failing to support him."

"If any Republican leader or Newspaper does fail to support George M. Wertz, that leader or organ lacks in loyalty to the principles of the direct primary and fails to carry out the interests of the party."

All of the Republican nominees in Cambria County were present when Mr. Pinchot thus declared that failure on the part of Republicans to support the nominee for Congress in disloyalty to the party.

That the same view is taken at Washington, and will be held there in the future, was made clear by United States Senator David A. Reed, speaking for himself and his colleague, Senator George Wharton Pepper, at the same times and places, Major Reed declared:

"Mr. Wertz is no longer an individual. He is a symbol. A blow aimed at Mr. Wertz will not strike Mr. Wertz. It will go straight over his shoulder full at the heart of the Republican Party."

ACCURACY in ACCOUNTING

Within the memory of persons still living the word "accounting" brought up a picture of a man on a high stool writing with a quill pen and using sand instead of blotting paper.

But the telephone belongs to a newer era, and telephone accounting is as modern and accurate as is humanly possible.

Thesmen and women who do the accounting work are careful and take every precaution to avoid mistakes.

For they know that errors sometimes cause misunderstandings.

When mistakes do occur—and they are bound to occur once in a while—every effort is made to adjust them.

To adjust them courteously.

For in the accounting, as in every branch of the telephone organization, the Bell people work with the idea constantly before them that courtesy pays.
