Wheat Price Compares.

last finding a ready market for their asumpsit suit Abraham was given a salesman, mus wheat at a price almost equal to that a verdict of \$500. A verdict in favor to jail for a year's worl received by the farmers of the Middle of the defendant was returned in the quarry sylvania wheat was sold for \$4.50 a Reed. barrel less than the price received for the patent flour of the mid-west.

The situation was so alarming that | It was in the glorious days before Secretary of Agriculture Fred Ras. it went into effect. A colored preachbakers and millers of the state at the blessings of temperance. milled from Pensylvania wheat was in better to bend the 'knee 'stead every way suitable for baking pur- the elbow. poses and in some respects excelled the patent flour.

To-day the difference in price be- of a barrel?" tween the Pennsylvania flour and the patent flour has been cut to \$2.75. The patent flour is made from spring | EBENSBURG-The Union Electri- A record of work of the department advanced in years. Mrs. D wheat. The winter wheat flour of cal Co. of Pittsburgh has filed suit of Agricultural Extension at the joys good health and is keenly inter the Midle West to-day is selling at against William McGonegal for \$713 .- Pennsylvania State College, for the ested in all public affairs, both civil only 25 cents a barrel more than 38, with interest from Feb. 22 1922, year ending June 30, 1922, discloses and political

Reports received by the Bureau of merchandise delivered to the defend- uable agency for better agriculture Markets of the Pennsylvania Depart- ant. ment of Agriculture show that practically every mill in Pennsylvania is running to capacity with orders booked ahead. A survey of the situation shows that never before was there! such a demand for Pennsylvania Soft Red Winter Wheat.

The changed situation has come about at an opportune time for in almost every wheat growing section in Pennsylvania farmers were becoming discouraged. The Bureau of Statistics of the Pennsylvania Department of Agriculture reports that 4 per cent less acreage has been devoted to wheat this year than was sown in
