FORMER PASTOR HEALS BY PRAYER

Rector Samuel C. Benson Conducts Class in New York City

Of more than a passing interest to Patton folks is an article in the Philadelphia North American of Tuesday, concerning the Rev. Samuel C. Benson, formerly Pastor of the Presbyterian church, this place...

Under the auspices of an international group of New York sisters, Dr. Benson has been holding healing meetings for several weeks at the Chelsea Presbyterian church...

This woman, who attended the meeting yesterday, said that it was the first time in many months that she had been away from the kitchen...

"There is no sickness in Heaven," he said, "and your spiritual self has its residence in Heaven. In Eden there was no sickness. The Kingdom come. They will be done on earth as it is in Heaven."

Dr. Benson reported that a Mrs. Gardner of 207 West Sixty-sixth St. suffered from melancholia and headache, took two lessons and is now "buoyant and happy."
