It Was Happiness, Unlimited

By JOHN PALMER

It was a bright, sunny day. All the boys were gathered in the school yard, and the teacher was talking to them about the importance of being honest.

Now, the boys were all looking at the teacher with interest. They were all very good boys, and they were all very honest.

But, the teacher was not talking about honesty. He was talking about the importance of being honest.

They were all looking at the teacher with interest. They were all very good boys, and they were all very honest.

But, the teacher was not talking about honesty. He was talking about the importance of being honest.

They were all looking at the teacher with interest. They were all very good boys, and they were all very honest.

But, the teacher was not talking about honesty. He was talking about the importance of being honest.

They were all looking at the teacher with interest. They were all very good boys, and they were all very honest.

But, the teacher was not talking about honesty. He was talking about the importance of being honest.

They were all looking at the teacher with interest. They were all very good boys, and they were all very honest.

But, the teacher was not talking about honesty. He was talking about the importance of being honest.

They were all looking at the teacher with interest. They were all very good boys, and they were all very honest.

But, the teacher was not talking about honesty. He was talking about the importance of being honest.

They were all looking at the teacher with interest. They were all very good boys, and they were all very honest.

But, the teacher was not talking about honesty. He was talking about the importance of being honest.

They were all looking at the teacher with interest. They were all very good boys, and they were all very honest.

But, the teacher was not talking about honesty. He was talking about the importance of being honest.

They were all looking at the teacher with interest. They were all very good boys, and they were all very honest.

But, the teacher was not talking about honesty. He was talking about the importance of being honest.

A Sound Investment

WHERE can you spend in motor transportation where your dollar will go as far as in the purchase of a Ford Touring car?

The initial outlay and the after expense are so small that your Ford Touring car will pay for itself many times over whether used as a family car for pleasure, for business purposes or both.

The sooner you place your order, the sooner you will be enjoying your Ford car. Terms can be arranged.
