THE UNIVERSAL CAR ANNOUNCEMENT Of Interest to

MILLIONS of FAMILIES

"I will build a car for the multitude" Said Henry Ford in 1903-Read how the fulfillment of that prophesy is now made possible through the

Ford Weekly Purchase Plan

For many years it has been Henry Ford's personal ambition to make the Ford the universal family car — to put it within the reach of the millions of people who have never been privileged to enjoy the benefits of motor car transportation.

During the past fifteen years over 7,500,000 Ford Cars have been placed in the hands of retail customers - more than a million and a half of them within the past twelve months - and yet there are still millions who are hopefully looking forward to the day when they can own a Ford.

And now the way is open.

Under the terms of this plan you can select your Ford Car, set aside a small amount each week aud you will be surprised how soon you will own it. In the meantime your money will be safely deposited to your credit in one of the local banks where it will draw interest.

Think it over. Five dollars will start an account. The whole family can participate in it - father, mother, brothers and sisters each doing a little.

Silvertown Cords !

A real thrill awaits you when you first see your car on handsome Silvertown Cords. Another when you discover you are getting more mileage out of your gasoline. And still another at the end of the season when your speedometer shows you how far they have gone.

> BEST IN THE LONO RUN' C. & B. MOTOR COMPANY PATTON, PA.

Why not start today. Stop in and talk it over with your local Ford dealer. He will be glad to fully explain the details of the plan and help you to get started toward the ownership of a Ford car.
