DON'T TAKE A CHANCE

Patton People Should Act in Time. If you suffer from backache, if you have headaches, dizzy spells, if the kidney secretions are irregular, Don't delay—likely your kidneys are sick. Patton people recommend Dean's Kidney Pills. Here's a Patton man's experience. James Fisher, 315 Herriman Ave., says: "My kidneys were weak and there was a dull, heavy pain in my back. When I was at work, a sharp kick in the small of my back hurt me when I tried to stand straight. The muscles of my back were lame and stiff. Dean's Kidney Pills were recommended to me and I got a box at Patton Drug Co., Inc. I was relieved by the first box and two or three more drove away the backache and put my kidneys in good condition." See at all dealers. Postum Bibern Co., Mfrs., Buffalo, N. Y.

Why does a mirror reflect?

—because the back of the glass is covered with quicksilver, which does not absorb light. Hence the light rays which form an image are thrown back in reflection. Clean and bright as a mirror is the home where
