SET AT THE CAUSE

Many Patton folks are showing how to avoid needless suffering. Theirs is nothing more annoying than kidney weakness or inability to properly control the kidney secretions. Night and day aches, the sufferer is tormented and what with the burning and scalding, the attendant backache, headache and dizziness, life is indeed a burden. Doans Pills—a stimulant diuretic to the kidneys—have brought peace and comfort to many Patton people. Profit by this Patton resident's experience:

It is reported on our morning paper that the rainbow which was seen was the best that has been seen in Carrollton for many years.
