The Kitchen Cabinet

Thousands of women have kidney and bladder trouble and never suspect it. Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease. If the kidneys are not in a healthy condition they may cause the other organs to become diseased. Pain in the back, headache, loss of appetite, nervousness are oftentimes symptoms of kidney trouble. Don't delay starting treatment. Dr. Kinner's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to overcome such conditions. Get a medicine or large size bottle immediately from any drug store. However, if you wish first to test this great preparation, send ten cents to Dr. Kinner & Co., Binghamton, N. Y., for a sample bottle. When writing, be sure and mention this paper.—Advertisement.

The Essential Robert was invited over to the neighbors for dinner. As the maid brought in the fried chicken and all that usually appeals to the three-year-old, Robert continued to gaze far away toward the kitchen. After the dessert course he voiced his judgment. "You haven't got very much, have you?" "Why?" asked the hostess a bit taken aback. "Well, I don't see any ice cream."

Don't check if you put over a substitute when an advertised product is called for. Maybe your customer will never come back. See Maxwell, Jr.

WHOLE FAMILY ENDORSE TANLAC AS BEST TONIC

Tanlac has been our constant friend for years, and my wife and myself and eight children are all enjoying wonderful health, largely due to this medicine. It is the remarkable statement of Harry H. Pittcock, 210 Archer St., Waco, Texas. "In my own case Tanlac has done what seemed to be impossible. When I began taking it my stomach was in such a bad fix that I had to live on a milk and egg diet and I was almost a skeleton. I had been flat on my back in bed and under treatment for 18 months and felt that my time was about up. "After my case had been given up as hopeless and I thought I was beyond redemption a relative put me on Tanlac, and the result is I gained 30 pounds and enjoy as good health as anybody could wish. "My wife was all broken down in health. But now she weighs 110 pounds and is strong and well and I am giving Tanlac credit for it. We give Tanlac to the children to see them up and make them grow, and nobody ever had a healthier set of children than we have. "Tanlac is certainly the greatest medicine on earth for anyone whose life is wrecked by bad health. We owe to have a great deal to praise Tanlac for at my home." Tanlac is for sale by all good druggists. Accept no substitutes. Over 40 million bottles sold. Tanlac Vegetable Pills for constipation; made and recommended by the manufacturers of Tanlac.
