known health-builders as easily as swallowing a piece of candy. Yes, and Hypo-Cool in Tablet form, the improved Cod Liver Oil Tablet, is not only rich in tasteless Cod Liver Oil, but contains the combined Hypophosphites, Lime, Soda and Iron to purify the blood and increase strength and vigor; salicine, manganese and strontine to aid the stomach, heart and nerves, as well as the great blood-purifier, peptonate of iron. Medicines know of no better form to build up wrecked systems.

But, best of all, Hypo-Cool tablets are guaranteed to build and strengthen skinny folks—money back if they fail. Try a little now, today—you can carry it in your pocket or purse and take it nearly under all conditions.
