The Rev. Father J. P. Duggan, pastor of St. Monica's Church at Chest Springs, was a Patton business caller on Tuesday.

Remember, that in doing your holiday shopping, Patton stores offer the prices and the merchandise that mean satisfaction. You have the satisfaction of knowing too, that the dollar earned at home, remains at home.

The Courier will be issued on Tues-

day night of next week, an account of the Christmas holiday. This will permit circulation of the same before Christmas day. Contributors and advertisers please be governed accordingly.

The last showing of "The Sea Hawk", the greatest of all motion pictures, at the Grand tonight. If you missed it last night, you still have one more chance.

Are you following up our Cross-Word Puzzles. They are extremely interesting, and, we believe, ours are as good, as any published in any paper.

Why not send a year's subscription to that former Patton friend who now resides elsewhere, as a Christmas Present.

Recently Mrs. Sara Whitehead entertained a number of young folks at her home on West Magee avenue to celebrate the 10th birthday of her daughter, Jean. Dancing, music and games furnished amusement for the occasion. The guests were served a very delicious lunch. Miss Whitehead received many beautiful gifts. The guests were Emma Lilly, Minnie Winslow, Emma Kelsall, Alberta E. Corbell, Hazel Beckwith, Bill Grant, Gilbert Samuelson, Paul Whitford, Joseph Lacus and Clarence Williams.

Joseph Mowery, of Johnston, was a recent Patton visitor.

Don't forget the big attractions at Chest Springs during Christmas week. See the reader elsewhere in this issue.

Albert Stone, of this place, was a caller in Nickerson on business the other day.

The store windows of the many local business establishments present a real holiday appearance these days, and chief among them is the excellent electrical toy train display in the windows of the Chase J. Pitt Company.

Andrew Jacob, of this place, was in Eisenburg last Friday on a business mission.

Richard Scullion, of Barboursville, was among the recent Patton business callers.

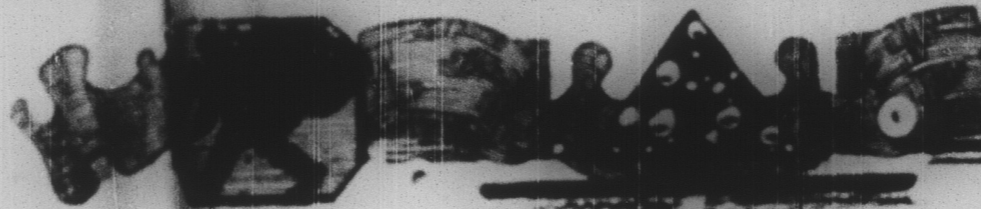

A number of friends assembled recently at the home of Mr. and Mrs. Henry Donahue, of West Magee avenue, the occasion being Mrs. Donahue's birthday anniversary. A musical program was carried out together with a dramatization of "Bygone Days." A lunch was served. Those in attendance were: Mr. and Mrs. Plus Yainey, Mr. and Mrs. Peter Kaye, Mr. and Mrs. Frank Kelsall, Mrs. Frank Farabaugh, Mrs. M. Southower, Mary Cavannah, Katherine Kelsall, Mattie Anna, Hilda Nalder, Kathleen Donahue, Elizabeth Westrick, Edward Donahue and E. H. Morgan, the latter of Detroit.

Mr. and Mrs. Philip Bauman and daughter, Anita and Rosemary, who have been residents of Patton for the past few years, have moved to Carl rolltown, where Mr. Bauman will engage in the painting business.

The firm of Bearer & Bauman, the well known local painters, has been dissolved, and Mr. J. Earl Bearer, the senior member of the firm will in the future conduct the business in his own name. We predict success for Earl.

Mr. and Mrs. Emory H. Diehl, of this place, have gone to Florida, and will spend the winter months there. Mr. Diehl is the proprietor of Diehl's garage in the Ben Ton Building here and incidentally sells the Ford, Fordson and Lincoln.

Mrs. Leo Mauerer, of Mellon avenue, has returned to Patton from a visit of several days with friends in Indiana.

It's Here!

IMPROVED AND EASY WAY TO TAKE COD LIVER OIL MEANS HAPPY AND HEALTHY DAYS AHEAD FOR MANY.

A new way to take Cod Liver Oil is welcome news to thousands of weak, skinny, scrawny men, women and children. Hypo-Cod, in Tablet form, the improved Cod Liver Oil Tablet, is loaded with the great health and flesh building oil—but not the ugly, fatty, terrible, fishy-smelling kind. These qualities have been unlocked by new and improved methods of extraction.

In addition to Cod Liver Oil extractives, Hypo-Cod tablets contain the combined hypophosphites of lime

and iron to purify the blood and increase strength and vigor; niacin, manganese, and strychnine to aid the stomach, heart and nerves; besides the greatest of all blood enrichers, peptonate of iron.

This formula has been used in Hypo-Cod in liquid form for years and thousands have been benefited by it. Hypo-Cod tablets have been introduced as a more economical and practical way to take this phenomenal health builder.
