SMILE UP, FELLERS, EVERYTHING ELSE IS!! ————— By A. B. CHAPIN

WRITING CONTEST PERIOD HAS BEEN EXTENDED

The scenario contest being sponsored by the Altoona Booster Association is gaining momentum every day. Originally it was intended that the contest should close on April 18th but it was found that this gave prospective entrants too little time to prepare their stories, scenes and manuscripts and upon the insistence of many potential play writers the date was extended to Monday, May 2.

That the contest aroused interest throughout the section of Blair and surrounding counties is evidenced by the inquiries and requests for the rules in schools and colleges. It doesn't matter whether the writer is a teacher or pupil or engaged at anything. Whoever will may enter. Courier readers who are contesting will appreciate the advance in date for closing the contest.
