SUCH IS LIFE----A Slight Misunderstanding

## Fight Fire Clad in Asbestos

Battling oil field fires is a hazardous task; terrific heat in such emerg encies has been overcome by using asbestos suits. The Union Oil company, in its southern California fields, has specially drilled "asbestos crews" whose efficient work is attracting much comment. The photograph shows an asbestos crew combating a fire which occurred in the midst of oil derricks.

SHE WENT FROM FAMILY TRAGEDY BROUGHT ABOUT BY CHECKER GAME

Trivial Incident Causes Farmer's Death and Arrest of Daughter.

Wetumpka, Ala .- From the still, shadowed corridors of the Wetumpka county jail a thirty-one-year-old moth er looked out upon a future cold and grim and reviewed a tragedy in her father's home. Nestling upon her breast a seven-months-old habe slept peacefully, too young to know the sorrow and repentance that was near to breaking the throbbing heart of the mother. The woman was Mrs Odie Bremonnon of Elmore. She had shot and killed her aged father.

A few miles away another mother, silver haired and seventy-two, mourned her husband who had died by their daughter's hand. Silently she went as she comforted her two grandchildren, five and seven, who could not under stand why "granddaddy" lay so still nor why their mother had gone away. They remembered vaguely hearing a brief quarrel and two pistoi shots that followed. These two shots had twisted the lives" of an entire family. At the second shot, J. J. Johnson of Elmore, soverity-one, had fallen dead.

Row Over Checkers.

A hearthside argument between father and daughter is said to have been brought about when the elderly farmer entered his home and discovered Mrs. Bremonnon playing checkers before the fire with a negro servant girl. The sight is said to have enraged the old man, who ordered the negress from the room and reprimanded his daughter. From this point on stories of those who witnessed the subsequent tragedy vary.

Mrs. Bremonnon's story is that her father bore down upon her with an ax handle that was used as a poker at the family hearth. She became frightened and reached under the mat

Liberty, Miss.-Bud Francis, a thirteen-year-old negro boy of the little town of Rohinson, near here, is being nailed as a hero for saving the lives of three negro babies. Influential persons have called the attention of the Carnegie commission to his case as

deserving of a medal and a pension. The babies, including a pair of twins, were playing on a platform covering a well. The boards gave way, hurling the children 40 feet into

water 6 feet deep. Bud leaped to an iron pump pipe in the well and shot downward so rapidly that his legs and arms were badly burned by friction. At the bot-

tom of the well and extending a foot or so above the water was a brick ledge. Bud seized the babies, one b one, and set them upon this ledge, threatening them with dire punish ment unless they hung on.

A basket was lowered on a rop and Bud placed the babies in this and L. they were drawn to safety.

Kidney Poison

If Your Back Hurts or Bladder Bothers You, Begin Taking Salts

When your kidneys hurt and your back feels sore don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood

In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water-you can't drink too much; also get from any pharmacist about four ounces of Jad Calts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink, which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking and no doubt you will wonder what became of your kidney trouble and backache.
