By Lydia E. Pinkham's Vegetable Compound

"A neighbor advised me to try Lydia E. Pinkham's Vegetable Compound, which she said had helped her so much. So I bought a few bottles and tried it out. It sure helped me wonderfully. I felt much better. My work was no longer a dread to me. If I hear of any one who is troubled the way I was, I will gladly recommend the Vegetable Compound to them and I will answer any letters in regard to the same."

Watch The Kidneys After Winter's Colds.

COLDS and grip are hard on the kidneys. When the kidneys slow up, impurities remain in the blood and are apt to make one tired and achy with headaches, dizziness and often nagging backache. A common warning is scanty or burning secretions. Doan's Pills, a stimulant diuretic, increase the secretion of the kidneys and aid in the elimination of waste impurities. Are endorsed by users everywhere. Ask your neighbor!
