BAKERTON MINER DIES OF INJURIES AT HOSPITAL

As a result of injuries sustained or April 24th, when caught beneath fall of rock while working in Mine No. 6, of the Sterling Coal Co., a Bakerton, Edward Smith, aged years, married, and the father of children, died at the Miners' hospita at 7:30 o'clock Monday evening. His FOR SALE At a Barbara death was caused by internal liquid death was caused by internal liquid and a fracture of the pelvis.

In good running order; 1 canopy top and a fracture of the pelvis.

Mr. Smith is survived by his widow fracture of the pelvis.

and the following children: George, Thomas, Clarence, Gertrude, Anna Elizabeth, Laura, Margaret and Ruth all at home. He also leaves his parents, Mr. and Mrs. George Smith, Sr of Bakerton, and one brother, William of Spangler.

Mary Homyak, a student at the state teachers' college, at Indiana, Funeral services will be held at 2:30 this Thursday afternoon in the Baker-ton Methodist Episcopal church and interment will be in the church ceme

PLAN TO DEVELOP
EPILEPTIC COLONY ST. BENEDICT BOY IS HIT BY A MOTOR TRUCK

The Board of Trustees of the Selingsgrove State Colony for Epileptics has advertised for bids for the construction of the new cottages. The bids are to be in on May 16.

This institution will be the first State Colony for Epleptics. At present the epileptics are being accommodated in the mental hospitals and in the schools for mental defectives. It is estimated that 2000 epileptics are now being cared for with the insane and feeble minded. Many of these partients can be given better care if segregated in such an institution as is being developed at Selinsgrove.

The Board of Trustees of the Selingsgrove State Colony for Epileptics are being accommodated in the wo being cared for with the insane and feeble minded. Many of these partients can be given better care if segregated in such an institution as is being developed at Selinsgrove.

Melvin Kephart, the two year old she who are being shelf in feeble minded of the was badly injured on Wednesday morning when struck by a motor truck driver, by the truck driver. Examination at the hospital revealed that 2000 epileptics are now being cared for with the insane and feeble minded. Many of these partients can be given better care if segregated in such an institution as is being developed at Selinsgrove.

DEEP STUFF!

WHEN it comes to solving deep problems, I'm compelled to take off my hat to the Delco-Light Company.

What they've done is this-perfected a D-L Deep-Well Pump for wells as deep as 300 feet! This pump has a lot of new things about it that other deep-well pumps will come around to in a few years maybe. Channel Steel Base, balance wheel that equalizes the up and down strokes; discharge head below the frost line, pumps from 125 to 400 gallons of water

But, this is only part of the story. See me for more facts about this new D-L Deep-Well Pump, and also about the full line of D-L Shallow-Well Pumps.
