EBENSBURG DANCES WILL BEGIN ON FRIDAY EVENING FOR THE SUMMER SEASON

Tal Henry and His orchestra Will Be the Opening Attraction at the Cambria Co. Fair Grounds.

With Tal Henry, known throughout the south as "the prince of personality," and his twelve southern melodists from the cotton belt of North Carolina the weekly season of dances for the summer, will open in the pavilion at the Cambria County Fair Grounds, at Ebensburg, Friday evening, May 25. The dances, starting at 9 P. M. standard time, will permit parties from as far west as Pittsburgh and as far east as Bellefonte, to attend. Henry and his orchestra, fresh from a winter season of radiocasting at Flamingo Beach, Miami, Florida, have a number of movelties to present. Genry has been taking a great interest in Oriental music and has found that the most strictly Oriental dance melodies come from a small island near Bali, close to product the most strictly oriental dance melodies come from a small island near Bali, close to product the most about 80 gallons of whiskey were manufactured daily, some days, records indicated, 150 gallons were turned out. women and they are the most graceful and slimmest young women in the entire world, are temple dancers. It is the land of slim dancers and fat pigs,

vails in all Chinese, Burmese and Siamese music. The Bali Butterfly day and the music which accompanies Dance of the Dahdah, nave been by Tal Henry as the basis for ar 

of the series at the fair grounds.

The floor of the dance pavilion i in the best of shape, as was shown at the post-lenten dance, and since then a few finishing touches have been given it. The pavilion is heated by a hot need not keep any away from enjoying the first of the dances of the early of the season. With parking actaken before Squire Charles P. Rowtaken before P. Rowtaken befor part of the season. With parking accomodations free to those who come land of Ebensburg, and fined \$20 each.

# Typically Californian in Every Feature

-----

ALIFORNIA bungalows always have one feature, the patio, that is not found in the types with which the North and hacked up with a covered now for in the types with which the North and backed up with a covered porch facing upon East are most familiar. It is a relic of the the patio. It is distinctly the living section early Spanish occupancy of

the Southwest and a characteristic of all Spanish homes. Latin-American homes from Mexico on down through South America all feature this outdoor convenience which loses its charm in the harsher northern climates. The bungalow shown here

is typically Californian, but it is equally good for any section of the South. It is built in the shape of a letter L, the object being primarily to afford the best possible lighting and ventilating facilities Incidentally it provides in this manner for the patio, which is inclosed on the outer side by a wall of brick to insure privacy.

0

of the home. Connected with it by an open doorway, which throws the two rooms virtually into one, is a cheery dining room, also large and well lighted. Kitchen and bath are be-

tween the dining room and the two bedrooms in the rear, one with an outlet into the rear yard, the other opening upon the porch fronting upon the patio. Both are reached by a hallway from which one may step out upon the porch or reach the stairway to the attic.

The bungalow is of com-mon brick and, if a tiled roof is used as indicated here, it

might easily be skintled with an increase in Set apart from the main section of the its good appearance and a reduction in its home, the living room is large, well lighted, cost. It demands a shrubbery setting. The Common Brick Manufacturers' Association, Cleveland, Ohio, can furnish complete drawings for this design.
