The Easiest Way to Keep in Style

No woman would wear dresses, or blouses, or stockings of a color that's decidedly out of style or faded, if all of us knew how easy it is to make things fresh, crisp and stylish by the quick magic of home tinting or dyeing. Anybody can tint or dye successfully with true, fadeless Diamond Dyes. Tinting with them is as easy as bluing, and dyeing takes just a little longer. New, stylish colors appear like magic, right over the old, faded colors. Diamond Dyes never spot, streak or run. They are real dyes, like those used when the cloth was made. Insist on them and save disappointment. My new 64-page illustrated book, "Color Craft," gives hundreds of money-saving hints for renewing clothes and draperies. It's Free. Write for it now, to Mae Martin, Dept. D-143, Diamond Dyes, Burlington, Vermont.
