WHAT DR. CALDWELL LEARNED IN 47 YEARS PRACTICE

A physician watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation, known as Dr. Caldwell's Syrup Pepsin, is a mild vegetable compound. It can not harm the system and is not habit forming. Syrup Pepsin is pleasant-tasting, and youngsters love it. Dr. Caldwell did not approve of drastic physics and purges. He did not believe they were good for anybody's system. In a practice of 47 years he never saw any reason for their use when Syrup Pepsin will empty the bowels just as promptly. Do not let a day go by without a bowel movement. Do not sit and hope, but go to the nearest druggist and get one of the generous bottles of Dr. Caldwell's Syrup Pepsin, or write "Syrup Pepsin," Dept. BB, Monticello, Illinois, for free trial bottle.

Always an Easy Victim!

Writes Mr. Walters: (But Things are Different Now)

"FOR SEVERAL years I have been a continual sufferer from catarrh of the stomach—run-down condition—didn't sleep well or eat good." [Many do not suspect that the stomach can cause so much illness—but it does.] "I was always an easy victim of colds; now I am on my third bottle of PERU-NA—sleep fine and notice the biggest change." [It's something to be grateful for that PERU-NA can do so much for sufferers.] "I well remember my parents taking PERU-NA years ago; I can cheerfully praise it to the skies." [Signed: Mr. Cleon Walters, Indianapolis, Indiana.] [Several generations have known PERU-NA as a marvelous stomach remedy. You should know it, too—get it from any drug store today.]
