PATTON HIGH SCHOOL NOTES OF THE WEEK

A Summary of What Is Transpiring Among the Students, Serious and Otherwise.

P. F. Plummer, a student in the Junior class of Ebensburg High School was a visitor in the high school last Thursday.

Clair Brungart, well-known in Patton and a student in the high school for the past several years, has entered the Reaversburg High School, Centre County at which place the Brungarts now reside.

Jan Straton was a visitor in Hastings last Saturday afternoon. John Thomas, Bob Little, and Bernard Cussey were callers in Spangler last Sunday afternoon and evening.

Betty Greene visited friends in Indiana over the last week-end. Morris Aaronson was a visitor in Altoona last Sunday.

The Cambria County Commercial Contest will be held at Ebensburg the week of April the seventh this year. For the past several years the Patton Hi students entered in the contest have made remarkable showings, bringing home most of the medals. This year Patton will again send representatives to the contest, and we hope that they will again take the majority of the medals.

Francis Brown, Paul Kane and Elmer Christoff were visitors in Barnesboro Friday night. Brown says that there aren't many cars traveling from Barnesboro to Patton on Friday evenings.

At a meeting of the Sophomore Class recently it was decided that the class would buy letters for those Sophomores who went out for the team. Those to receive letters are: Brown, Christoff, Kane, Little, Blake and Jenkins. This year the Sophomores won six games and lost four.

In the last week's notes it was stated that the basket-ball game between St. Lawrence and Patton last Sunday, a week ago, was played in the school gym. This game was played at St. Lawrence and not in the school.

The Cambria County track and field meet will be held at Ebensburg, May 4th. The high school track team will begin practice as soon as the athletic field dries up to some extent.

"Scoops" Cordell and Lorraine Tarr were visitors in Duncansville and Hollidaysburg last Sunday.

Last Tuesday evening a farewell party was held at the home of Betty Greene for Clair Brungart who left Wednesday for Reaversburg, Pa. Dancing was the feature of the evening, and late in the evening a delicious lunch was served. Those who were present were: The Misses, Peggy Shambaugh, Ann Gregg, Myrtle Way, Lorraine Tarr, Nettie Kelsall, Jane Lewes, Ellen Lewes, Mabel Fitzpatrick and Betty Greene.

The Messrs, John Stevenson, Clark Heist, Clair Brungart, Fritz Chisler, "Scoops" Cordell, John Thomas, Red Sherry, Ted Larson, Bob Little, Howard Weakland, John Weakland and John Campbell.

HARRY SMITH GETS 2-12 YEARS FOR JAIL BREAK

Joseph Sugarcik of South Fork, found guilty by a jury at Ebensburg last week of shooting and killing O. I. into Grazziani in South Fork Feb. 3, last appeared before President Judge John E. Evans and Judge John H. McCann Monday and was sentenced by Judge Evans to undergo an imprisonment for the rest of his natural life in the Western penitentiary in Allegheny county as a penalty for his crime.

Harry Smith of Johnstown, who escaped from the county jail at Ebensburg where he was undergoing an imprisonment for the theft of an automobile about eight months ago, also was brought before the court Monday and sentenced to pay the costs and undergo an imprisonment from one and one-half to ten years in the Western penitentiary. Smith was returned to Ebensburg from Ionia, Mich. where he was captured recently.

Mike Jurik alias Michael Zahurancik of Portage pleaded guilty to a charge of defrauding a boarding-house keeper and was sentenced by Judge Evans to pay the costs of prosecution.

Domestic relations courts was held at Ebensburg with President Judge John H. McCann and Samuel Lennon Reed on the bench. All three court-rooms were used to clear the dockets of the large number of cases before the court. The court gave the defendants in all cases the usual sentence.

Jacob C. Murphy, a prominent citizen of South Fork, whose health had been impaired since February died at his residence at South Fork early Friday morning, aged 75 years. His death was due to a complication of diseases. Funeral services were held at the Murphy home at 2 o'clock Tuesday afternoon, with interment in the South Fork Cemetery. The services were conducted by the Rev. C. W. Ryan, pastor of the South Fork Evangelical Church and the Rev. Theodore Miner, pastor of the Methodist Episcopal Church at South Fork.

John C. Murphy, was a son of Daniel Murphy and Caroline (Reichard) Murphy, and was born on a farm in what is now Adams Township, on the Frankstown road, on May 3, 1854. In 1871 he came to what is now South Fork, to which place his parents moved about the same time, and has since been identified in a marked degree with the advancement of the town.

RACING TO BE ONE FEATURE

Of The Cambria County Industrial Exposition This Summer At Ebensburg.

With spring here horse racing fans are beginning to look up the probabilities for the coming season on all the tracks and it can be said that the racing this summer, at the Ebensburg track of the Cambria Exposition will be the most outstanding that has yet been enjoyed by those who relish this world-wide entertainment. Edward J. Brennan will be race secretary and steward at the races, during the week of the Fourth of July, when the Cambria County Industrial Exposition is running and his name works wonders in the East. He is one of the officials who has charge of the Maryland Jockey Club tracks and the rules of those tracks will be the ones in force at Ebensburg, this summer. Pincello, Bowie, Laurel and Havre de Grace are names to conjure with when it comes to horse racing. These names are as well known in England, South America and Australia, where racing is a fact, as they are in this country and Mr. Brennan is known to horse owners, riders and lovers all over this country.

Some of the most famous stables are willing to follow where Mr. Brennan leads and as he has said that the Ebensburg track is one of the very best half mile stretches he has seen anywhere, when he visited the track early this year, his word will be taken by many prominent horse owners who have heretofore sent any of their animals to this hippic track.

The racing will merely be one part of the great entertainments that is furnished at the Exposition. There will be at least six star vaudeville and circus acts, any one of which would be at the top of any bill, anywhere.

The industrial end of the exposition is often forgotten, at first, by those who read of the Exposition. As a matter of fact over 200 of the largest corporations, and Manufacturing companies between the Atlantic coast and the Mississippi take part in the Exposition along with hundreds of manufacturers and merchants from this State and the country. They believe in the kind of advertising they get from a direct showing of their goods. They also sell most of the goods they display and except for some of the heavier pieces such as locomotives, most of the machinery and tools that are exhibited at the Cambria County Exposition, are sold during the week the displays are on view.

The machinery everything used in mining, quarrying, road making, agricultural machinery, road making, both stannard and narrow gauge and also runs the gamut down to the smallest of had tools required around the house and garden. There are also many novelty displays and the space is rapidly being taken. Those who once show at the Cambria County Exposition, usually become regulars. Most of them reserving from year to year, the same or more space than they previously had.

With reference to the challenge noted in the Courier that the Army was elated over their victory with the Navy and challenged the Post Office, Manager Beunier of the P. O. Force accepts the offer for any date suitable to Army.

NO EASTER MONDAY DANCE FOR SUNSET

Unable to Complete Renovating and Redecorating in Time for Annual Ball.

There will be no Easter Monday dance at Sunset Park on Easter Monday next, despite the fact that on this night one of the biggest dances of the season has been held for years. Manager Fred Luther has been busy all winter renovating and redecorating the large auditorium, and he finds that he will be unable to complete it by Monday next, so that the dance this year will have to be cancelled. He is, however, planning for the biggest dance season this summer in the history of Sunset, and the hall will prove a revelation to those who are lovers when the present work is completed.

Manager Luther announces that the Easter Monday attraction at the Auditorium in Johnstown will be Gordon Kibler and his orchestra, and respectfully asks Sunset patrons to attend this Johnstown dance.

Post Office Crowd of Bum Bowlers Bowl "US" Down

Unprincipled Quintet of Desperados Led by Fred Kinkaid Bowled Us Over and Over.

The initial appearance of the Patton Courier Bowling Team at the local alleys on Tuesday evening in their clash with the Ebensburg team, was a disastrous to our force of home employed, to the tune of 296 pins. This was our first attempt, and we swear revenge supreme the next time. The hero of the evening, of course was Fred Kinkaid, who called up one pin on the opening frame of the match. Here's the funeral:

\$2701.00 RAISED TO DATE BY THE TINY TIM DRIVE

Hastings, Moss Creek, Patton and Spangler Exceed Their Quota in the Tiny Tim Club Drive With Just A Few More Days To Go.

With just a few more days to go in the Tiny Tim Club Drive of Northern Cambria County will be completed on March 31st, the towns which have not reached their allotment give promise that they will by this date. The Chairmen of these towns realizing full well the task they have ahead of them as became of their difficult job will put forth every effort to prove that when a man's back is against the wall he can fight harder and accomplish great things of which he and his community will have every reason to be proud.

These municipalities will come through even in view of their industrial conditions because the purpose, the underprivileged child, touches their hearts and makes them want to be a part of this great noble work.

The various Chairmen of the Tiny Tim Club Drive reported on March 25th as follows: Bakerton 301.00, Barnesboro 185.00, Carrolltown 100.00, Cherry Tree 330.00, Emsch 235.00, Hastings 357.00, Moss Creek 115.00, Patton 515.00, Spangler 235.00, St. Benedict 400.00 making a total of \$2701.00.

Hastings, Moss Creek, Patton and Spangler make the fourth fifth sixth and seventh towns to go over the top. Good news will be forthcoming when the final reports are made at the end of this month.

In these days of high finance, our thoughts naturally turn to investments as men. Our public problem is one of preference over the more place of investment in the maimed, crippled, dependent underprivileged child holds the attention of Northern Cambria County. At present, as it has been in the past, upon the response of a generous community depends our efforts for good in the future. The Northern Cambria Kiwanis Club is working for and with the community in working not for self glory praise, but is working for the underprivileged child, who is by force of circumstances, unable to help himself.

The sponsors of the "Tiny Tim" appeal for your investment. The appeal is made in the name of the maimed, crippled dependent children of Northern Cambria County. Let the spirit that governs all good things, govern your investment in the "Tiny Tims".

So much for the past. We still have children under treatment, and there are some on the waiting list. It is necessary that we raise additional money to carry on the work of the present year. GAS EXPLOSION IN BAKERTON MINE

Henry Plouse Instantly Killed, 1,500 Feet From Entry; Fellow Worker Escapes

Henry Plouse, aged 54, was killed Sunday in an explosion in Mine No. 14 of the Barnes & Tucker Coal Co. at Bakerton. Michael Mindish, another miner who was engaged in a portion of the mine some distance from the scene of the explosion, left the workings unharmed. The explosion was described as a "local" one by officials and it is said that no great damage was done. Various parts of the mine however, were filled with smoke after the explosion and this may cause a day's shutdown of the mine, it is stated by officials of the concern.

The cause of the blast has not definitely been determined, although it was believed that gas may have been ignited by a short circuit in an electric cable. The explosion occurred about 1,500 feet from the drift entry where Mr. Plouse was engaged as a pumper. Michael Mindish, the other employe on duty at the time, said he heard a loud report and that he was distressed somewhat by smoke and walked to the opening of the mine to determine the cause of the noise.

The blast occurred about 10:30 o'clock Sunday morning and because of the intense smoke in the portion of the mine where Mr. Plouse was working, the body was not recovered and brought to the surface until 6:30 o'clock Sunday evening. It had been badly buried.

Three hundred men are employed in the mine, but they do not work Sundays. Mine officials said a portion of the mine would be operated at once. The mine is said to be equipped with the latest safety devices and it is thought that this averted more serious damage to the interior of the workings.

The fireboss is charge of the operations did not hear the report, so the blast did not conduct an investigation until the power of the mine had been cut off. When it was again restored he went into the mine and discovered the trouble.

Henry Plouse is survived by his wife, Mrs. F. Annie Plouse, and these children: Mrs. Etienne Gupich of the British West Indies; Lucille, wife of Thomas Kelly, Philadelphia; Margaret, Philadelphia; Dolly, Betty, Ruth, Carlisle and Junior, all at home and Gordon of Philadelphia. The latter arrived at Barnesboro Sunday to visit his parents, three brothers—Jonathan and James of Barnesboro and Robert of Pittsburg—also survive.

TRIALS OF JESUS IN 'KING OF KINGS' FINELY DEPICTED

Historical Accuracy Sole Aim of Cecil B. De Mille, the Producer

Cecil B. De Mille in the New Testament epic of "The King of Kings," reproduces both the Sanhedrin and the Roman trials of Jesus with a regard to historical accuracy that has not been manifested before in connection with a Biblical drama or picture. Here are some interesting data concerning them:

Pontius Pilate, Roman procurator of Judea, used the Palace of Herod during his stay in the Holy City. There he held his Court of Justice. It was inside the Joppa Gate, on the western margin of Jerusalem.

Caiphias, High Priest and ruler of Jewry, held Court in the Hall of the Sanhedrin, which was in the Temple. A Passageway from it opened into the House of Caiaphas, which adjoined one of the Temple structures.

In the courtyard of the High Priest's home took place Peter's three denials of his Lord, when that disciple feared his own arrest in consequence of the question of the guard and the serving women.

The incident of the cock crowing three times fixes the hour of the arraignment of Jesus as shortly before dawn. He was brought up through the House of Caiaphas, where
