

ORDINANCE NO. 172.

An Ordinance of the Borough of Patton providing for the construction of a public sewer beginning at or near Swedish church on Magee Avenue, thence South one hundred and fifty feet; thence west four hundred feet; providing for the cost of the same to be collected from the property owners adjacent to the same according to the foot front rule.

Section 1. That whereas the required number of property owners have petitioned for a public sewer beginning at the Swedish church on Magee Avenue, thence south through an alley one hundred and fifty feet to an alley; thence west through an alley four hundred feet.

IT IS THEREFORE ENACTED AND ORDAINED, that a public sewer eight inches in diameter be constructed, beginning at the Swedish church on Magee Avenue, thence south through an alley one hundred and fifty feet to an alley; thence west through said alley four hundred feet. That said sewer be constructed by the Borough of Patton as requested by the property owners, and that cost and expense of construction thereof be assessed and collected from the property owners adjacent to the same according to the foot front rule in accordance with Act of Assembly.

Enacted and ordained this 13th day of August, 1929.

GEORGE E. PRINDIBLE,
President of Council.

Approved by the Burgess of Patton Borough, this 13th day of August, 1929.

Like a Colorful Tapestry!

ONCE upon a time, a roof was just a roof. Nowadays it must be beautiful as well. It must set off your house against its background, like a colorful tapestry.

You can have just such a roof — with Johns-Manville Shingles. And you sacrifice none of the other qualities a

roof must have. J-M Shingles offer you, in addition to colorful beauty, a roof that is durable, fire resistant, inexpensive.

Let us tell you how little it costs to provide such a roof for your new house or for re-roofing your present house.

THE New BUICK

The Greatest success in all Buick history

More people have purchased New Buicks during the past two weeks than in any similar period of any previous year

The New Buick with Body by Fisher has met with a veritable landslide of public demand. Many purchased before ever seeing the car — many thousands of others placed their orders the first few days it was on display — other thousands have been taking demonstrations and then making Buick their choice.

Popularity so overwhelming carries an unmistakable message to every prospective motor car buyer: See the new Buick — drive it — compare it — and you'll quickly discover that it's the greatest dollar-for-dollar value in the entire quality field.

From Nature's Purest Crude Oil into a Lubricant that Meets Every Driving Condition

STERLING Oil is, in every respect, a quality oil—refined to motor use from the purest crude obtainable by the most up-to-date equipment known to the industry.

Sterling Oil is refined only from 100% Pure Pennsylvania crude, recognized everywhere by oil experts and the motoring public as the richest crude oil that Nature has given to man for use in an automobile engine. It is so free from impurities in its natural state that no

chemicals or acids are required in its refining. It is lower in carbon and higher in heat resistance than any other crude in the world.

With every drop of Sterling Oil obtained from 100% Pure Pennsylvania crude and its refining scientifically regulated to bring out the natural superior qualities to their utmost efficiency, the result is an oil that will protect a speeding motor far beyond the ordinary requirements of safe lubrication.

Not just a paraffin base oil, but refined entirely from 100% Pure Pennsylvania, recognized as the highest grade crude oil in the world.
