

HELP TO ELECT HIM: WEIMER FOR JUDGE

J. Edward Stevens

FUNERAL DIRECTOR AND EMBALMER

Phone Office and Residence

CARROLLTOWN, PENNA.

*Let the sparks fall
where they may*

YOU can be perfectly calm when your neighbor's house is a mass of flames, if your own house is roofed with Johns-Manville Asbestos Shingles. Let the sparks fall where they may, they cannot burn your roof.

Whether you plan a roof for your new house or a new roof

for your present house, let us tell you how inexpensive a roof of these fireproof shingles can be.

We can provide your house with a roof that never fears flying sparks, and at the same time give you permanence, colorful beauty, increased value of your house.

9 CANNING POINTS

1. Have all equipment in readiness before canning is started.

2. Pack products in jars or cans that will seal air tight. Spoilage in canned foods is frequently due to imperfect containers.

3. Pressure cookers are helpful in the canning of meat and all non-acid vegetables. The high pressure obtainable kills all spores, thus assuring perfect sterilization. Pressure cookers also save time and fuel.

4. If you live in the South, or in very high altitudes, or in the west coast states, get the time-tables for canning recommended by your state college. In these sections it is recommended not to use hot water for the canning of vegetables and meats but the pressure cooker.

OFFER \$5,825 IN PRIZES IN NATIONAL CANNING CONTEST
To ward off a threatened surplus of farm products in many sections and to impress more housewives with the economy and healthfulness of home canned foods, a National Canning Contest is now under way to find the best jar of canned fruit, vegetables and meat in the country. Two hundred and twenty-two cash prizes totaling \$5,825 have been hung up by the Sears-Roebuck Agricultural Foundation, including a grand sweepstakes prize of \$1,250 for the best jar of canned food entered in the contest. Any woman or girl is eligible to enter the contest, but entries must be in not later than October 1, 1929. Further information on the contest and free jar and entry blanks for sending in entries may be had by writing to Anne Williams, director, National Canning Contest, 925 S. Homans Avenue, Chicago, Ill.

5. For exhibit and contest purposes always use glass jars.

6. Empty space in a jar will not lessen the keeping qualities of the food, but it detracts from the appearance and is a waste of jar space. However, if a glass jar has lost liquid during processing, do not open to re-fill.

7. To can fruit juices pasteurize for from 25 to 30 minutes at 160 to

Packing Chicken in Jars.

170 degrees. Boiling fruit juice destroys the flavor.

8. Canning does not change poor products into good products so use good products to put into jars. And do not spoil good products by half-way methods of canning. Use the quickest, safest, and most efficient method of canning, which is the pressure cooker method.

9. Before storing canned products away in a cool dry airy place for winter use keep the jars under observation at room temperature for at least one week.

THE New BUICK

New Controlled Servo Enclosed brakes

unrivalled for smooth, sure, silent operation in any weather . . .

To Buick, pioneer of four-wheel brakes, now falls the distinction of another major achievement in this same vital field: the development and introduction of Buick Controlled Servo Enclosed Brakes—the most effective four-wheel braking system ever devised for any automobile!

Buick's new brakes are of the highly efficient internal-expanding type. They are fully enclosed—fully protected against dust, dirt and water—and thus assure maximum braking effectiveness under all weather conditions.

They represent the highest development of the self-energizing principle, which makes the car's own motion provide part of the

braking effort. They reveal unmatched responsiveness to the slightest pedal pressure. And they are so perfectly controlled that "grabbing" is entirely unknown! When you apply these brakes, you obtain the most positive, as well as the smoothest and most silent action you have ever experienced in any automobile!

Drive the new Buick! Test not only its matchless new brakes but its brilliant all-round performance, riding comfort and driving ease—all of which combine to establish the new Buick as the greatest value ever offered in the fine car field!
