Save on the Budget Plan

Ask any man who has made a financial success in life how he accomplished it. His answer will be, "By Saving." He did not spend every cent he made, but built up a fund which was available when he needed it for business purposes. He is no different than you, except that you must learn the saving habit. Save on the budget plan—a certain amount each week going into your savings account. You will be surprised how it will grow and earn more money for you.
