Complete Physical Wreck After Flu
Erie, Pa.—"I had the 'flu' and pneumonia and it made a complete physical wreck of me. I was nervous, thin and pale, did not have blood enough, was so weak and miserable that I did not care to move or exert myself. I did not gain in health until I began taking Dr. Pierce's Golden Medical Discovery and it put me right on my feet. I picked up and felt fine after taking it for a time."—Mrs. Wm. McGraw, 2206 French St.
