Did you see the above advertisement in last week's issue of this paper?

It was not there in just that form, but that is what the big double-page announcement said—and it should be of interest to you or some of your family or friends.

Would you like to earn a brand-new automobile valued at \$1295 between now and May 24th?

Or would you prefer a new Ford, Chevrolet or Whippet?

Maybe you would like to take a trip around the world or to tour America without any cost to you?

Perhaps you already have a car or you do not care to travel—would some CASH come in handy during the coming months?

You can have almost anything you want in this world if you can do one thing—make up your mind! All it takes is initiative—the will power to make a decision and then act on it.

The Courier's Travel Club and Subscription Drive—full particulars of which will be found on pages 6 and 7—is now on. Read every word of the announcement, for it means OPPORTUNITY—opportunity for you—if you will but grasp it.

Plenty of Room for Live-Wires. Up to date the number of entrants has been exceptionally few—especially so in view of the fact of the wonderful prizes being offered. The people of this and the surrounding communities either have failed to appreciate this extraordinary offer or they are dilatory about responding. A word of advice—DON'T WAIT TO SEE WHAT THE OTHER FELLOW IS GOING TO DO—BEAT HIM TO IT! Get in NOW at the start and be a lap ahead when the other fellow enters the race. Get in AT ONCE and take advantage of the BIG CREDIT PERIOD.

Everybody Wins. Now get this straight—EVERYBODY WINS—either a valuable prize or a commission check. Positively no one will work for nothing if they remain active.

Information and Assistance. In order to give everyone who enters the campaign the greatest possible amount of assistance, a special office has been set up for the Travel Club Department in the Grand Theatre Building. The campaign manager will devote his entire time to the Travel Club, assisting members and giving information. Participants residing in the remotest sections of the county will receive the same attention as those living in the immediate vicinity of the Courier office. Come in and see him personally and secure first-hand information regarding this most interesting Travel Club. Or, if you cannot call personally, write or phone and complete details will be sent you—without obligation on your part.

Why These Big Prizes. Briefly—The Courier, for nearly two score years the newest and best weekly newspaper published in Northeastern Cambria County, desires a larger circulation. Circulation is the life-blood of any newspaper—the more circulation the more business. It costs but little more to publish 5,000 papers as it does to print 1,000.

We want the liveliest men and women of Patton and surrounding communities to be interested in this newspaper and its growth—it is YOUR paper at all times and will gladly co-operate in any worthy project for the best interests of the people as a whole. As a special inducement to them to help us grow we have adopted the Travel Club as the best and quickest means to gain our end—making the prizes so attractive that they will appeal to the live-wires.

PATTON "PANTHERS" TO TRY FIENDISH DUEL

Carrolltown "Cut-Ups" Are in for a Severe Clawing, If Matters Work Out As Stated.

Sunday afternoon, April 6th, in Wawel hall, Barnesboro, the Patton Franchising Panthers basketball team will meet and attempt to educate the Carrolltown Collegiate Cut-Ups in the art of playing and scoring baskets. Rumor has it that the PPP's will creep up on the CCC's with a strong quietest and add another victory to their record. However, that rumor is from the local boosters and is to be taken with a grain of resin. From the "singing town" we hear that the "collegiates" are not backward when the strong front they will put forward with Weakland, Kline, Lacey, Kurtz, as forwards; E. Bradley, R. Bradley and G. Kelly, guards; E. Kelly as pivot man, the paying public should see a game full of action when the "Athletic Animals" from Patton present Senita, Peterson, and Huba as forwards; Veager, Thomas, Hudak and Shannon, guards, and Scobisberger or Lacave, at center. The game will start at 3:15 p. m.

START WORK AGAIN ON THE MOUNTAIN ROAD AT SUMMIT

After being idle since the early part of last week by reason of adverse weather conditions, the grading crews of the Clark Brothers Construction Company, engaged in operations in the east part of the Cresson mountain on the slope of the Cresson mountain on the Muleshoe culvert, are again at work. The project is coming along nicely. For the past few months motorists have been able to use the road, but it will be well received wherever played.

Much of the action of "Jazz Heaven" takes place in the studio of a large broadcasting station marking the first time this locale has been used in a talking picture. Radio engineers have made a faithful reproduction of the studio for the picture, thus giving audience a complete conception of the manner in which broadcasts are put on the air.

Sally O'Neill sings for the first time on the screen and the diminutive star, is said to possess a most charming voice. John Mack Brown in the role of a young composer, both plays and sings. Their roles in "Jazz Heaven" are the most important chances Miss O'Neill

and Brown have had in dialog pictures and both are said to give remarkable performances.

The supporting cast is made up of a number of notable players from stage and screen. Joseph Gawthorn grand old man of the musical comedy stage, and a partner of Julia Sanderson or years ago gives a performance which is said to surpass even his work in "Street Girl". Clyde Cook, one of the most popular film comedians, of all time, gives an excellent portrayal in "Jazz Heaven". Other capable players are Albert Condit, Blanche Frederick, and J. Barney Sherry.

The lilting love lyric, "Someone," composed by Oscar Levant and Sidney Claire, forms an integral part of the production. The song is heralded as one of the outstanding popular hits of the year.

Melville Brown, one of the most competent of the younger directors, handled the direction of "Jazz Heaven," adapted from an original story by Pauline Forney and Dudley Murphy.

F. E. WENTZ DISPLAYS SOME ARTISTIC ABILITY

Former Northern Cambria County Man Gets More Than Passing Notice At Washington Home Town.

The following article is taken from a recent issue of "The Colville Examiner" a newspaper of Colville, Stevens county, Idaho.

"Pen and Ink Sketches by F. E. Wentz, in the J. C. Penney Company windows is causing considerable attraction."

"Mr. Wentz, school teacher at Orin, has marked ability and his free-hand sketch of "Kittens and the Toad" is worthy of more than ordinary comment."

While teaching at Anderson's business college at Altoona, he became well known for his clever pen and ink sketches. A display of his work was held about 1900 in the Patton Drug Store, during the time of Johnny Gunn's proprietorship.

Addresses Kiwanians on Early History of County on Monday Night at Brandon Hotel.

Last minute notices were sent to the members of the Northern Cambria Kiwanis club that a meeting would be held on Monday evening at the Brandon hotel, Spangler. ROAD SUPERVISORS MEET IN CONVENTION

Judge McKenrick Gives Address of Welcome; Officers Are Chosen.

A movement for elimination of the necessity of townships putting up specific amounts of money for road improvement, especially since the automobile traffic and use of heavily loaded trucks has become so general on township roads, was started at Ebensburg last week at the annual convention of the Cambria County Supervisors, Auditors and Good Roads Association in the courtroom at Ebensburg. The burden of maintaining township roads under present heavy traffic by the Supervisors cannot be borne by funds available at the present time, it was stated. The delegates in attendance at the convention adopted resolutions favoring the enactment of legislation which would require the State Highway Commissioner to pay from funds available for maintenance and improvements such amounts as later may be determined. A resolution favoring the setting aside of one cent of the gasoline tax in a special fund for State reward to be administered by the Township Engineer, also was passed.

Preceding the program, the annual business meeting of the association was held, at which time, all of the old officers were re-elected for the ensuing year, as follows:

President, A. C. Baumgardner, of Salix; First Vice President, J. A. Farabaugh, of Bradley Junction; Second Vice President, F. E. Farabaugh, of Patton; Treasurer, D. H. Weimer, of Upper Yoder Township; Assistant Treasurer, J. F. Hice, of Croyle Township; Secretary, John S. Springer, of East Carroll Township; Delegates to State Convention, D. H. Weimer and J. F. Hice.

As was the case at the forenoon session, last Thursday the afternoon gathering was replete with good speeches and musical entertainment. The session opened with several orchestral selections by the Ebensburg Public School orchestra, under the direction of Miss Lucille Kuhn, followed by the Olson Brothers, of Windber, accordionists and vocalists. Harve Tibbot, Ebensburg baritone, sang two solos: "Laugh, Clown, Laugh," and "In the Garden of Tomorrow."
