

Do You Remember?

View of Athletic field, Patton, Pa., Aug. 20, 1921. Carried Photo. Patton, Pa., Aug. 20, 1921. Carried Photo.

About nine years ago when Patton's business and professional men—and everybody turned out at the Patton Athletic field and "labored" for a day to improve the grounds?

AND DO YOU REMEMBER—

When Magee avenue was first paved?

When lightning struck the tower of St. George's Church, splitting the tower supporting the bell and rendering unconscious a woman 200 feet away?

When the annual business men's picnic at Sunset was the outstanding event of the summer months?

When Kettering's Greensburg orchestra was always engaged for all high class dance events?

When the Scranton Correspondence Schools had a branch office in Patton?

When the effigy of Weyer, during the Spanish war, was dragged through the streets, his carcass shot, and then thrown off the bridge into Chest Creek? When logs were flooded down Dry Run?

When the Carrolltown Fair attracted everyone for miles and miles around?

BIG SUM SPENT ON RELIEF IN COUNTY

Outdoor relief payments during the last month of 1929 and the first two months of 1930 totalled \$11,609.58 according to the final report made last week by Miss Margaret Mackevican, former outdoor relief investigator of the Cambria County Poor Board. The largest amount was paid in January, a total of \$4,132.71 being expended in that month. A total of 595 families were investigated which applied for aid during Miss Mackevican's term of six months with the board. The report also goes into detail in regard to the number of relief cases taken care of during the first two months of the present year.

Funeral services were conducted at Portage Saturday afternoon in the United Brethren Church for Miss Christie Diamond who died Wednesday of last week near Ebensburg after a long illness.

Telephone Workers Honored For Acts of Public Service

These four employees of the telephone industry in Pennsylvania are to receive the Theodore N. Vail medal in recognition of conspicuous acts of public service in emergencies during 1929. Vail awards are made annually and are provided for by the Vail Memorial Fund, established in honor of the late president of the American Telephone and Telegraph Company.

FREE TICKETS TO SCHOOL CHILDREN FOR EXPOSITION

Two hundred thousand school children in Cambria and the surrounding counties are to receive tickets which give free admission to the grounds and also free admission to the bleachers for the Cambria County Industrial Exposition the week of June 30, and also to the Cambria County Fair, which opens Labor Day, Sept. 1.

All school children from the first to the eighth grade inclusive will receive their tickets at schools during the next few weeks. The counties include Somerset, Blair, Clearfield, Indiana, Westmoreland and Bedford. Three days of each week will be devoted to the school children. Their tickets will show on which day they will be admitted both to the Exposition and to the fair. In all 400,000 tickets have been printed and are now being mailed to the various teachers who handle the first eight grades.

Early delivery is being made so that the children who attend the rural schools will get their tickets before the school season closes. Those in the city and borough schools will also get them at the same time.

The gathering of information which enabled the Cambria County Fair Association officials to get the names of the various teachers and the number of their pupils of the grades in the seven counties was quite a task and the bundling and mailing of the tickets to the various schools has also required an addition to the clerical force at the Fair headquarters in Ebensburg.

Each ticket is not only good for admission to the grounds on the day marked on it but is also a free admission to the bleachers so that the children, both at the Exposition and Fair will have a chance to see the great circus and vaudeville shows that are given every afternoon on the race track. Keeping in mind this plan to admit the children free, President Blair C. Seeds had his eye open especially for some attraction, both for the Exposition and the Fair that would certainly entertain the youngsters. He did not forget outdoor clowns who are always favorites with the scholars on vacation.

The tickets are not only being mailed to all public schools in the seven counties but also to the parochial schools so that not a youngster in the entire district who is attending any of the first eight grades will be overlooked. If by inadvertence any school has been omitted a message to the Fair office, Barker Building, Ebensburg, will bring the number of tickets required, if the request is sent by the teacher.

More and more both the officials of the Cambria County Fair Association and the public of Westmoreland are appreciating the fact that both the Exposition and the Fair are community enterprises. This free admission of school children from a wide area is in line with the community idea.

PARDON SOUGHT BY ANGELO GIARDINO

Nanty-Glo Coal Miner, Who Shot and Killed Son-in-law, Now Seeks Pardon

Angelo Giardino Nanty-Glo man serving 12 years minimum sentence in the Western Penitentiary from Blair County for murder and aggravated assault and battery, has made application to the Pennsylvania Board of Pardons for a pardon. A hearing on the application was held yesterday before the board at Harrisburg. The crimes for which Giardino is serving time are alleged to have been committed at Bennington, Blair County, October 24, 1924. Giardino was employed as a coal miner at Nanty-Glo. Two of his daughters were married to brothers, Alphonse and Orazio Dillalogi, both of whom resided at Bennington.

Sunday, October 14, 1924, was set for a christening at the home of Orazio and Giardino went from his home in Bennington to attend the rites. While in Bennington Giardino visited the home of his other son-in-law Alphonse Dillalogi. While there it is said a Negro came to the house armed with a gun and demanded food. A fight ensued, in which Giardino is alleged to have secured the gun from the intruder. He is said to have pulled the trigger and as he did the Negro is alleged to have made a lunge at him, striking the hand in which he held the gun. Alphonse Dillalogi was said to have been standing nearby and was struck by the bullet and fatally wounded.

In his petition for a pardon Giardino alleged that he stood trial without counsel and that he was induced to plead guilty to the charge which he did. He also declares that he did not murder his son-in-law but killed him by accident when he was acting in self-defense in a fight with the Negro. The daughter made a widow by the shooting is now remarried and resides in Pittsburgh.

PAUL THOMAS, JR.
Paul Thomas, Jr., eight-months-old son of Mrs. Paul Thomas, Sr., died Saturday morning at the home of his mother. He is survived by three sisters and two brothers. The child's father, Paul Thomas, Sr., was killed in the Hastings mine August 1, 1929, two days after the infant's birth. Funeral services were conducted Monday morning in St. Bernard's Catholic Church, Hastings. Interment was in the church cemetery.

RAYMOND OBER.
Raymond Ober, 13-year-old son of W. R. and Bridget (Tucker) Ober, died Saturday morning at the parental home in Portage after an illness of a complication of diseases. Funeral services were conducted Tuesday.

County P. O. of A. Opposes A Daylight Saving Time Plan

Resolution Voicing Disfavor with New Time Passed at Meeting, Held at South Fork

Adoption of Daylight Saving Time for Cambria County is opposed in a resolution drafted by delegates to the semi-annual convention of the Cambria County P. O. of A. in Miners' Hall, South Fork, last Friday.

This resolution was one of three adopted during the business session. A second resolution urges that "the utmost consideration be given the picketing of men for the House of Representatives and Congress who favor laws for the betterment of America and the American people."

The convention opened during the early afternoon with Mrs. Mary Boyer of Johnstown, the county President, in the chair. A total of 66 members were present, including 29 official delegates, 26 county officers and five past county officers.

The convention endorsed Mrs. Mary Boyer, of Johnstown, for President of District No. 1, and Mrs. Annie Caldwell, of Patton, for President of District No. 2. The District President will be appointed at the State Camp sessions in Reading next month. Miss Alberta Gregory, of South Fork, is President of District No. 1, and Mrs. Kate Catherwood, of Patton, is President of District No. 2 at present.

It was voted to hold the School of Instruction three months hence in Patton, in which is one of the most active of the Cambria County camps. Conemaugh was selected to entertain the semi-annual convention in the fall. Mrs. Laura McCreary, of Portage, and Mrs. Eliza Jones, of South Fork, were the tellers in the election. In deciding the delegates cast 33 votes for Patton and 32 for Morrellville.

Gilbert Brown introduced a motion that the Cambria County P. O. of A. again unite with the P. O. S. of A. in sponsoring a joint picnic. The following committee to represent the P. O. of A. was named: Mesdames Clara Flick, Mary Wilson Cordelia Hunter, Alice McCune, Kate Catherwood, Jennie Salkeld and Verna Stephens. This committee will decide where and when the picnic will be held.

Impressive addresses relating to the work of the various camps were made by the District President—Mrs. Catherwood and Miss Gregory—whose remarks were supplemented by figures indicating membership gains since the last convention.

Register Charles A. MacIntyre last Thursday issued a marriage license to Walter E. Stiles, of Nicktown and Grace Roser, of Hellwood.

ALBERT KAVALEK
Albert Kavalek, 12-year-old son of Michael and Anna (Salatek) Kavalek, of Cymbria Mines, died suddenly Friday afternoon at the parental home in Barnesboro. The funeral services were conducted Monday morning in St. John's Greek Catholic Church at Barnesboro. Interment was in the church cemetery.

SEEKS TO DESTROY LIQUOR
Application for an order directing Sheriff Homer C. George to destroy certain intoxicating beverages and apparatus used in their manufacture was filed with the court last Friday by Chief of Police E. C. Briney of Johnstown. The contraband to be destroyed is the result of raids conducted by the city police over a period of months and is now stored in the Public Safety building at Johnstown.

How One Woman Lost 20 Pounds of Fat

Lost Her Double Chin—Lost Her Prominent Hips—Lost Her Sluggishness

Gained Physical Vigor—Vivaciousness—A Shapely Figure

If you're fat—remove the cause! KRUSCHEN SALTS contain the six mineral salts your body organs, glands and nerves must have to function properly.

When your vital organs fail to perform their work correctly—your bowels and kidneys can't throw off that waste material—before you realize it—you're growing hideously fat!

Try half a teaspoonful of KRUSCHEN SALTS in a glass of hot water every morning—in three weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—your eyes sparkle with glorious health—you feel younger in body—keener in mind. KRUSCHEN will give any fat person a joyous surprise.

Get an 85c bottle of KRUSCHEN SALTS (lasts four weeks). If even this first bottle doesn't convince you this is the easiest, safest and surest way to lose fat—if you don't feel a superb improvement in health—so gloriously energetic—vigorously alive—your money gladly returned.

Mertens Quality Bread MUST BE GOOD!

To RATE A SCORE Like This When ANALYZED

RUSSELL-MILLER MILLING CO.
OF NORTH DAKOTA
MERCHANT MILLERS

Minneapolis, Minn., March 26, 1930

Mertens Bakery, Patton, Pa.

Gentlemen:

We received the two loaves of bread, one baked from Occident and one from Sweet Loaf High Strength, which were sent in to us from your Pittsburgh office and wish to congratulate you on the excellent qualities these loaves possess. Both are exceptionally fine and there really is not a great deal to choose between them.

The matter of scoring bread is of course one of personal opinion or of judgment to a large extent as it is pretty hard to say in judging texture, for instance, whether it is 14 or 14½; against a possible 15, or whether 19 or 18 against a possible 20 in judging taste. It is pretty hard to reduce these intangibles to figures but we have done the best we can and are attaching hereto our score on these loaves. They rank up about as well as any bread that has come to our attention.

Yours very truly,
RUSSELL-MILLER MILLING CO.
By L. F. Miller.
