

WORKERS WANTED

AT ONCE IN THE

COURIER'S PRIZE TRAVEL CLUB

Although quite a lot of fuss has been made and quite a number contemplated going after the Courier's remarkable prize offer, the actual number of workers and the actual amount of results secured to date are far from what they should be. Down to brass tacks, the campaign needs new life, wants new workers, and if someone will join this campaign and go after business in the right manner they will find themselves surprised at the results they can secure. The work is easy, the time is short, the pay is big, spare time is all that is necessary--so see the manager at once, he will be glad to explain how it can be done. Come in today.
