### PATTON HIGH SCHOOL NOTES OF THE WEEK

As Reported to the Courier by Jim Shannon of the Student Body.

The results of the track meet at Ebensburg on Saturday were very pleasing to the Patton Boosters. While Patton did not win the meet, a relay cup, and fourteen gold, silver and bronze medals were won by the Patton boys and girls. A great deal of credit should go to the Patton squads for the wonderful effort they put forth to win. The outstanding feature of the meet was the breaking of the girls relay record by the Patton girls. The former record of 2 minutes and 6 3/4 seconds was also held by Patton. The new record is held by Vernetta Eckenrode, Netty Kelsall, Mary Cassidy and Kathryn Yahner and the time is 2 minutes and 3 seconds. It will be many years before this record will even be equalled and when it is, we hope it is done by Patton girls. No wonder we are proud of our girls. We should be when they put forth such effort to bring laurels to the school. Vernetta Eckenrode also established a new record for the girls broad jump. The former record of 14 feet, 4-2-10 inches was overshadowed by Vernetta's jump of 14 feet 4-1-2 inches.

The girls who received awards were: Vernetta Eckenrode, Gold Medal for Relay, Gold Medal for first place in Running Broad Jump, Bronze Medal for third place in 130 yd. Low Hurdles. Netty Kelsall: Gold Medal for Relay, Bronze Medal for 3rd place in Running Broad Jump. Kathryn Yahner, Gold Medal for Relay. Mary Cassidy Gold Medal for Relay. The cup which the girls won will go to the school.

The boys made a very fine record for themselves also, and they deserve equally as much credit as the girls for the fine spirit they displayed. The boys came very close to winning their relay, but Vernada kept the slight margin which they gained at the start, and won the race. The Patton boys finished second. Paul Lynn also took first place in the 440 yd. dash. Morgan Sticker took second place in the half mile losing the race by only a few feet. Bob Little tied for first place in the boys running broad jump, but lost the gold medal by a toss of the coin.

The boys who won medals were: Paul Lynn, Gold Medal for 440 yd. dash, Silver Medal for second place in Relay. Morgan Sticker, Silver Medal, for

second place in Half Mile, Silver Medal, for second place in Relay. Bob Little, Silver Medal for Tie for first place in Running Broad Jump. Edward Senita, Silver Medal for second place in the Relay.

Albert Haluska, Silver Medal for second place in Relay. The oratorical contest sponsored by the Kiwanis club was held on Monday evening in the Brandon Hotel at Spangler. Patton's representative Lorraine Tarr, was unable to give her oration, owing to an attack of appendicitis, and Harold Blankfeld was substituted for her. All of the talks were very fine, and the judge deliberated for nearly a half hour. As they afterwards revealed, they had great difficulty in choosing between the Patton and the Barnesboro representative. Finally they gave the decision in favor of the Barnesboro speaker, and praised Harold for the wonderful manner in which he delivered his talk. We are sure that if Harold had not been forced to cram the speech at the last minute, that he would win the cup with a sweeping victory.

The State Commercial Contest will be held at Indiana College on Saturday. The contest will be more severe this year, each contestant being compelled to take primary tests in Mathematics, English Spelling and several other subjects. Only four contestants are allowed from each school. The four representation from Patton are Lorraine Tar Eleanor Colberg, Dorothy Henninger and Miriam Whitehead. We are sure that these girls are capable of making a fine showing in this contest, and we wish them the best of luck.

The dates of the final examinations for the entire school have been set, and they are as follows: For the Seniors—May 12-13. For the Eighth Grade—May 14-15. For the Rest of the grades and the High School—May 19-20 and 21. Since it is drawing near the time for the closing of school and graduation exercises we are going to give the exact dates of these activities and the places where they will be held. Graduation Exercises, High School Auditorium, May 21, at 2 o'clock. Junior-Senior Prom, Fireman's Hall, May 16. Senior Class Commencement Play, Grand Theatre, Matinee, May 22 at 2 o'clock; Evening Performance, May 23rd, at 8 o'clock. Tickets for the Seniors Class Play will be on sale at Gardner's Jewelry Store, on May 20th at 10 o'clock. Be wise and be the first there.

Lorraine Tarr is back in school again following an attack of appendicitis. We are pleased to know that the attack was checked before an operation was necessary. Betty Greene was an Altoona visitor

on Tuesday afternoon. Miss Steele spent the week end at her home in Greensburg. The Seniors have only one more day of school before their final examinations start.

Patton was represented in the state contest for rice tuition at State College, by Clifford Yahner and Cecelia Zerbee. The contest was held on Friday, May 2nd, and neither contestant had been informed of the results, although they both reported to have had little difficulty in the examination.

There will be a display of all the typing awards of the Juniors and Seniors held in Gardner's Jewelry Store in the very near future. Be sure and witness this fine display.
