

SACERDOTAL JUBILEE OF ABBOT VINCENT

Carrolltown Native Will Celebrate Fifteenth Anniversary of Ordination

Right Rev. Abbot Vincent Huber, O. S. B., D. D., of St. Bede Abbey, Peru, Ill., is to celebrate the unusual event of the fifty-year jubilee of his ordination to the Holy Priesthood on May 27th of this year. Besides, the great number of Right Reverend Abbots The Right Reverend Hugh Boyle D. D., Bishop of Pittsburgh, Abbot Vincent's friend and former pupil will preach the jubilee sermon while his life long friend the Right Reverend Abbot Charles Mohr O. S. B. will celebrate the Pontifical Jubilee Mass.

The career of Abbot Vincent was a splendid and influential one since nearly the whole of it was spent as a teacher of Dogmatic Theology. Born in Carrolltown Pa., May 19, 1855, he came to St. Vincent's College in Beatty, Pa., in 1869, was graduated from College and immediately after entered the Novitiate. He received vows, completed his Philosophical and Theological studies, and was ordained to the Holy Priesthood July 15, 1880.

Immediately after his ordination he entered the Collegia Gregoriana in Rome where he studied for three years. A few years later he began to teach Dogmatic Theology at St. Vincent's Seminary and it is particularly as a teacher of Theology that he is lovingly remembered by a host of students scattered all over America.

It is interesting to recall that His Excellency George Cardinal Mundellin of Chicago, Bishop Boyle of Pittsburgh and many other distinguished members of the Catholic hierarchy are numbered as Abbot Vincent's pupils.

In 1897 the hand of God directed his steps to St. Bede, then a priory of St. Vincent's, and here began his long, and honorable career first as Rector of St. Bede College and later, on March 3, 1910, when the Supreme Pontiff raised St. Bede to the dignity of an Abbey, Abbot Vincent was instantly chosen as its first Rt. Rev. Abbot.

Under his efficient leadership St. Bede College emerged from the struggling little college of 1910 to the splendid place it holds today in the educational world. His long career as a teacher, priest, and prelate has endeared him not only to the students of St. Bede but to all with whom he came in contact.

Therefore, his jubilee day will be an occasion on which, not only his intimate circle of monks and students shall rejoice, but the whole of Peoria diocese and many friends scattered to distant points will journey to pay their respects to their friend and teacher Abbot Vincent.

Father John Sullivan will be in charge of the senior hall at St. Francis College, Loretto, which will be held May 29, at the Sunehanna Country Club, Johnstown. The music committee is George Kuntzler, Michael Casey and John Bernert.

ASHVILLE

Mrs. Dewey Beers a graduate nurse of the Westmoreland Hospital, Greensburg has returned to her home here after attending to her father, James R. Hollen of near Chest Springs who has been sick for the past two weeks. Mr. Hollen is able to be out of bed again.

Edward Gauntner was a Sunday visitor at the home of Charles Moran of this place.

The rain of Monday night and Tuesday, was a big relief to the Forestry Department and local Fire Wardens, who have been very busy over the week-end.

Saturday morning Fire Warden Dewey Beers was called to Dysart to extinguish a railroad fire, which was held to about one half acre. On leaving that fire he was called to the Buckhorn, a fire was raging between the Buckhorn and Coupon town, the fire was started by boys smoking and dropping cigarettes or matches, other local Wardens called out were F. H. Beers, and Wm. Parrish. There were a good many wardens from other parts of this county and also from Blair County, owing the being a dry and hot, high wind it was almost impossible to check the fire to any great extent. The acreage burnt over was between five hundred and a thousand acres the land was owned by the Russett coal Company and the Altoona City Water Company, formerly the Allegheny Water company. The fire was under control late Saturday night, but Sunday morning it broke over the fire line in several places, and was quickly extinguished as the local wardens were called at once.

All day Sunday the Fire Wardens were sent here and there to answer fire calls which a large number of the calls being false alarms.

Supreme Court Bans Aids for Home Brewing

Holds Barrels, Bottles, Kegs, Corks and Labels Illegal in Ruling

The United States Supreme Court Monday handed down the most drastic decision it has ever rendered in its effort to uphold the Eighteenth Amendment and the Volstead Act.

Always 100 per cent dry in its prohibition rulings, the Court went a step further and held in a test case involving Ike Donovits of Pittsburgh, that persons who sell barrels, bottles, corks and labels are subject to prosecution when the articles are offered in such

a way as purposely to attract purchasers who intend to manufacture liquor illegally.

The decision undoubtedly will have a far-reaching effect. It constitutes a companion piece for the action of the Court in upholding the prosecution of hotel and cafe owners who serve ginger ale, mineral water and "set-ups" to their patrons.

May Presage New Drive. As a consequence of the decision, the Federal Prohibition Bureau may institute a Nation-wide drive against the sale of assortments of materials used in the manufacture of moonshine and home brew. Seymour Lofman, Assistant Secretary of the Treasury, in charge of prohibition enforcement, intimated as much in commenting on the Court's decision. He said the Government had been trying to enforce this feature of the law for some time and had taken the test case from Pittsburgh to the Supreme Court for a final decision.
